Subject: More Extraterrestrials.
May 27, 2011.

This should probably be called Extraterrestrials Part 7 but will call it More Extraterrestrials.

.....
.....

[Class M] (Modern) - These humans are working on the same cooperative level as Class A. They were taken from the Earth in modern times. During some abduction projects, twins (either identical or fraternal) are induced in a female subject. During the first trimester, one of the fetuses is removed. It is then grown to maturity by GROUP A. Abductees will meet their twins during some abductions. Very limited contact has been made by these humans.

[GROUP C] Genetically Modified Earth-Born Humans These humans are comprised of two classes and should not be confused with GROUP D Greys.

[Class W] (Workers) - This class is the smallest in physical stature. They are described as approximately three and a half feet in height, large head and eyes, pale white in complexion. These workers were created by GROUP A through genetic modification of Earth human fetuses. Their function is to perform menial tasks requiring limited reasoning abilities. In mental capacity, they are equivalent to a five year-old child. They are incapable of violence and, in some cases, are kept as companions by GROUP A individuals.

[Class T] (Technicians) - These humans are basically the same as Class W. they are slightly larger, at approximately four and a half feet in height. Their complexion is tan or yellowish. Their reasoning and deductive abilities are higher. This allows them to perform more complex operations. They are often seen operating ship controls and in transport activities. Both Classes W and T are telepathically camouflaged to appear as Greys to abductees. This is done to conceal the true nature of GROUP C. It is felt that perception of GROUP A maintaining a human slave population would hinder future contact efforts. This point will undoubtedly be a source of much heated debate in the near future.

IGUANOIDS

Approximately 4-5 ft. tall, with Iguana-like appearance yet hominoid configuration. They have sometimes been seen wearing black, hooded monk robes or cloaks which conceal much of their saurian features, which include tails. These have been reported as being extremely dangerous and hateful towards humans and lesser-ranking Reptiloids such as Greys, and like all other branches of the serpent race they utilize black witchcraft, sorcery and other forms of mind control against their enemies. They appear to be a dimension-hopping sorcerer or priest class among the reptiloid species.

IKELS

Small hairy humanoids with cloven hoofs which inhabit deep caverns beneath South America and elsewhere. They may be members of a fallen pre-Adamic race which possessed angelic, animal AND humanoid characteristics. Now allied with the reptilians. They have been known, according to natives, to kidnap women and children down through the ages and many stories are told of South American tribes who have battled these creatures with machetes during certain of their forays to the surface in search for women, children or food.

INSIDERS

Residents, either permanent or temporary, of the various different secret-society-connected top secret-government underground installations, bases or colonies throughout the United States and the World. Some of these groups may possess advanced technology enabling them to travel to various other planetary bodies in the solar system.

This group is international in scope and may be tied-in with the http://www.bibliotecapleyades.net/exopolitica/exopolitics_alternative3.htm Alternative 2 and 3 scenarios.

JANOSIAN

This is allegedly a planet on which human beings live or once lived. They apparently arrived on that planet some thousands of years ago according to certain contactees, and had all along retained dim memories and legends concerning their ancient home world, planet earth, where their ancestors lived long before their colonization of the planet Janos. They are said to be like Terrans, although somewhat oriental and slender. A group of refugees is said to have left Janos centuries ago in a huge carrier vessel of roughly donut-shaped configuration after an asteroid or meteor shower devastated the surface of their planet, causing a chain-reaction in their nuclear power grid, loosing deadly radiation into the atmosphere and unto the underground tunnels and cities which they had built beneath Janos. They apparently remembered the star-route back to earth, and the latest reports stated that they were in a high orbit somewhere near the earth and are seeking contact with earth governments to exchange technology for a place to live on (or below?) the earth, in the tradition of the TV series ALIEN NATION. In light of other revelations and lack of confirmation from other contactees, this might be a staged Draconian propaganda operation; on the other hand the account MAY be legitimate.

JAWAS

Another group of extraterrestrials has been termed the Jawas, after their resemblance to the creatures in the film, Star Wars. This groups is distinguished by their clothing. They wear hoods and robes, are generally short, 3-4 1/2 ft. tall and their faces are concealed by the shadows thrown by their hoods. There has been reports that this species has glowing eyes.

KONDRASHKIN

K-Group, which was short for the Kondrashkin. They have pale skin that had a slight greenish tint and almost no hair. They looked human, and have to bleach their skin and wear wigs. They have been periodically involved with covert projects since the 1940=92s.

KORENDIAN

Humans allegedly living on a colonized planet known as Korender. Perfectly human in proportion yet 4-5 ft. tall on the average. Gabriel Green described alleged contacts with this group in publications during the late 1950=92s - early 60's. The accounts published by Gabriel Green were rather fantastic, although perhaps no less so than some other accounts. Robert Renaud is one of the main "Korendian" contactees, and he claims that they have a large underground facility somewhere in Massachusetts. The Korendians claim alliance with the Arcturians and are part of a massive collective Alliance of worlds who lean more to non-Interventionism than to direct Interventionism.

LEVIATHANS

Sea saurian sea serpents such as the so-called Loch Ness Monster. Loch Ness has been the site of much occult or paranormal activity including UFO activity, Grey sightings, etc.

Loch. He owned a mansion on the shores of the loch and this same

mansion later became the residence of the British occultist Jimmy

Page, who not only played with the British Rock group Led Zeppelin

but also owned a large bookstore dealing with witchcraft and the occult.

Alien Group that is affiliated with the Orions.

LYRAN

Supposing that the human inhabitants of Lyra (who are said to have a common origin with Terran humanoids) were driven out of that system several thousand of years ago, then it is likely that some of the present day inhabitants of the Lyra constellation may be of reptiloid descent. During the Lyran wars which are mentioned in several contactee accounts, a mass exodus of humans reportedly left the system and escaped to the Pleiades, the Hyades [which are 130 light-years from earth in the Taurus constellation], and to Vega which is also in Lyra. This region, like our own system, may still be a battleground between saurian greys and humans.
