Subject: Deep Springs. Part 2.
May 30, 2011.

Deep Springs is a small town and there is a college there that can be visited. I doubt if you will find anything of an unusual nature going on there. Probably if you go there as a tourist you will probably find nothing and the people who live there will probably laugh at you because a lot of other people have come there looking for the bad space people. It would be sort of like going to the town of Mt. Shasta and looking for the people from inside the mountain.

Some c-ntactees state that Hale-Bopp is being used by Reptiloid entities from Draconis and Greys from Orion who have joined with a renegade 'Ashtar' faction from Sirius-B, resident within Hale-Bopp's 'companion'. They are determined to back a world dictatorship by bringing the 'comet' close to earth in order to 'trigger' the implants within abductees and simultaneously activate their unconscious subliminal programs via powerful transmitting devices. (JW I still like Ashtar and believe that he is doing a good job.) This is not to mention the potential and destabilizing 'shock' value that this comet might pose to planetary p-litical, economic and r-ligious systems. It would seem that a Federation of Worlds, based in the Andromeda and Pleiades constellations, are attempting to 'blockade' the interventionist actions of the Draco-Orion empire in the Sol system. According to co-tactees these Federation forces will soon be joined by a massive fleet from Sirius-B, who are apparently Federation allies who have [let us hope] severed themselves from a large segment of the Ashtar collective which has since been infiltrated and taken-over by Orion-based Reptiloids and Greys. These Andro-Pleiadean backed Sirians have reportedly waged, and won, a civil w-r in Sirius-B with the 'dark side', or the cultic renegade Ashtarian collaborators. They are now reportedly en route to the Sol system to do b-ttle with the Draconian-Orion forces and to convince the renegade Sirian collaborators who are working with them that they have and are being misled into an interventionist agenda. Like fanatical cultists, the rebel Sirians have blindly succumbed to the deceptions of the Reptilians, Greys and the Rebel A-gels in Hale-Bopp who are controlling the infiltrated segment of the Ashtar collective and are masquerading as "ascended m-sters" of the 'Ashtar' command. At least this is what some cont-ctees have implied. Are these conta-tees relaying the truth? I would guess that time will tell. As for the humans at the Nevada Test Site, these 'may' be in fact -- if we are to believe the collective revelations within this volume -- victims of subtle reptilian propaganda and intimidation. For instance, this source who authored the letter about the 'EBE's' apparently believes that ALL of the saurian-grays or EBE's come from extra-terrestrial realms. However as we have indicated, there is much evidence suggesting that reptiloid or homosaurian activity exists deep within the subterranean cavernous levels throughout planet earth, an intra-terrestrial presence that has existed for many centuries if not for thousands of years. This is one fact that the reptiloids have tried to hide from humankind, both terrestrial and extraterrestrial. Also, there are accounts suggesting that the reptiloids and greys ARE IN FACT breeding profusely and reproducing themselves via deep subterranean polyembryony, cloning and incubation facilities below Dulce and elsewhere and are not as 'over-extended' as they might have us to believe. Some estimate that at the very least 20 million grays are now actively operating under the surface of planet earth within bases or within natural cavern systems. According to still others, 20 million is a conservative estimate. However, on the other hand, the fear the humanoids might have of prematurely attacking the 'enemy' positions may possibly be the result of intimidation and propaganda intended to keep humans from taking OFFENSIVE action, believing that they are keeping the grays, etc., 'at bay' when in fact the Grays ARE ATTACKING OFFENSIVELY HUMAN S-CIETY on several other hidden fronts via mass abductions, subliminal programming, implantation, p-ychic manipulation, recruiting of 'fifth column' human agents, and infiltration. I personally do not

believe in 'standoffs'.

In wa- there is no 'neutrality', one is either attacking [in various ways] or capitulating themselves over to the enemy, in various ways -- ways which those on the defensive side might not even be aware of. The letter which we have quoted earlier continues:

"The 'headquarters' of this particular 'surround' is Deep Springs, California. At this location one can find a 'school' for C-mmunist h-mosexuals who have defected to the EBES in exchange for a c-re for A-Ds and a promise to their own little world, including reproduction via cloning and artificial wombs. Their sperm fertilize eggs taken from abductees. You will not likely see the hybrids hidden inside the mountain, unless you have... starlite binoculars. Some homosaphien APPEARING malevolents [mercenaries] are also there. Nine Soviets were there at the same time Soviets were at the NTS. They were there in the hopes of talking them into defecting back to our side. We are still hopeful.

"The collaborators use the cover organization Natural Resources D-fense Council, with front offices in New York and 1350 New York Avenue, N.W., suite 300, W-shington, D.C. 20005 [tel.(202) 783-7800]. It is headed by Tom C-chron, staffed by Kevin P-iestly UNR, John B-une UNR, Holly E-sler UnSan Diego, Gary R-ising Univ. Ca. Pasadena, Holly N-lson NY, Mary M-nning LV Sun, Ed V-gel LVR; and many others I can reveal later.

"One will also find that each corner of their triangle is at the base of a mountain. At each location you will find several entrances to underground systems. Do not attempt to enter, unless you wish to become liquid protein. You may however harass the EBES' two other corners by placing a large magnet on the vaults... [placing a magnet on the other two entrances at each location will not affect anything]. This temporarily interrupts their communications with Deep Springs until a collaborator team comes out to see what is going on. If you place a large magnet on this entrance [it has a large computer near the surface, you can hear it], it will affect an immediate interruption. So, you can take it off in a short time [1 hr] and take it with you. They will still have to come and reset the system. If you plant magnets [camouflaged like rocks] around these entrances, the EBES won't come out & the sell outs won't be able to find them. The EBES are also allergic to high concentrations of sugar (and apparently other substances with a 'left hand atomic spin', it has been claimed. - Branton). You will find that at two locations I have poured sugar around their exits. Always wear magnets near these locations, they interrupt the EBES' sense of direction [due to an internal compass much like those found in migrating birds] similar to our loss of balance when our ear drum is affected.

"Please wait until I have returned, if you have an airplane, I would like to take aerial photos, we can photograph them together.

"Our alliance crest, symbolic of the EM Shield, and our sign/mark/graffiti is inclosed. Do not reveal them or else everybody will use them & you won't know the real from the pseudos.

"YOU DO NOT KNOW ME, I DO NOT KNOW YOU. THIS IS NOT FOR PUBLIC DISSEMINATION. ZEALOTS MAY DISRUPT THE BALANCE BEFORE V-EBE DAY."

Another researcher by the name [pseudonym] of Jason Bishop has revealed that 'John', to whom the letter was addressed, is non other than John L-ar who himself claims many connections with people 'in the know' who go 'right to the top'. According to the letter, both the Nevada Test Site and Deep Springs are areas of conflict between a U.S. Go-erment - 'Nordic' Alliance AND a S-cialist - Reptiloid [Gray] Alliance. In this context 'So-ialist' could indicate either National Soci-list or Global Sociali-t. Both hold the same basic philosophies of t-ranny yet different methods for bringing them to pass. Both have the same roots and are apparently twin pincers in a d-adly Machievellian game that is being carried out by the B-varian I-luminati [which backed the Commu-ists by sending L-nin from Germany to Russia to incite the Bo-shevik revolution] and the Bav-rian Thule Society [which backed the N-zis by grooming Adolph Hi-ler for his part as Na-i dictator], yet most importantly it is being orchestrated by the International "B-ack Nobility" B-nking cults that have kept Europe under their financial grip since around 500 A.D. These are the same ba-kers who claim direct descent from the r-yal families of the ancient Roman and [un]H-ly Roman empires, families who have ties to BOTH Bav-rian cults -- Thule and Illumi-ati... and in turn with the 'aliens'.
