This mentions Rachel's Bar And Grill, a place I have visited before.

Jason Bishop also released some other information he received by way of John L-ar, from the individual whose letter we've just quoted. According to Le-r, the author of the letter was actually a S-curity Officer at the Test Site who had called-in to the Billy G-odman talk show [KVEG radio - Las Vegas, NV] on a few occasions, before Go-dman went to Southern California to take over a more lucrative Talk Show position.

This person used the codename: 'Yellowfruit,' which he claimed was actually the codename for a top s-cret security division that worked at the site, with which he was involved. YF also sent to Lea- a copy of the 'Benevolent' teachings. The `Benevolents' are reportedly working at the Test Site with M--12 and are 'Blond-Nordic and/or A-yan-like' people. I would personally guess that the 'Benevolent Ones' are members of the exterran Andro-Pleiadean Federation and/or members of the subterranean Telosian-Agharti Alliance which has maintained ties with the ASHTAR collective, or in this case the non-collaboration faction of that collective.

The BENEVOLENT TEACHINGS [not limited to the below] were identified as follows:

"DISCOURAGED -- NON PREPARATORY SPORTS [Activities That Can Not Be Used In Nonsporting Life] motocross, auto-racing, skateboarding, roller skating, football, baseball, hockey.

Also Discouraged: Processed Sugar, Recreational Carbohydrates, Recreational Fluids, White Bread.

"ENCOURAGED -- NONCEREMONIAL LESSONS OF THE MAJOR R-LIGIONS & PREPARATORY SPORTS [Activities That Can Be Used In Nonsporting Life] swimming, running, hiking, martial arts, survival arts. Teach Your Children!

"FORBIDDEN -- Alcohol, Illegal D-ugs, Nicotine, Recreational Dr-gs, Unjustifiable Homicide.

"MUST -- Avoid Weakness [e-il grows in weakness].

Execute Ev-l Prisoners In Order To Help Other Prisoners (Editors Note: Another possibility that might be interjected here is to establish a completely se-ured underground p-ison-cave and place all of the worst offenders there and leave them to themselves, to either work out their problems or destroy each other, whichever they choose. - B-anton).

"MUST -- Quarantine Contagious Disease [A-DS] Victims Humanely. Show Strength. Stop Illegal Dru-s. Stop Destruction of Environment. Stop Pollution. Use Nuclear Power.

"STUDY - Bill Of Rights, Biology, Computers, Economics, Geography, History, Latin, Mathematics, Philosophy, Survival Skills, U-ited States Of A-erica's Declaration Of Independence, Un-ted States Of Am-rica's Constitution, Vocational Skills."

Yellowfruit also provided coordinates for the Electro-magnetic Triangles he referred to in his letter.

These include:

N 37 22 30 - E 117 58 0; N 38 21 0 - E 115 35 0; N 35 39 0 - E 114 51 0; also Yucca Lake: N 37 0 30 - E 116 7 0.

The following information, from William F. H-milton III, describes further details on the "Yellow Fruit" account -- including claims which the Nevada Test Site agent made over the air during the few 'interviews' which were heard over KVEG Radio's Billy Go-dman talk show. It is also interesting that C-M-12 member Michael Y-unger [who has given lectures on the 'N-zi' presence within the R-ckefeller-backed O-l companies -- Na-i wa- criminals and their families who were smuggled into Ame-ica following World Wa- II and given refuge within the Roc-efeller's corporate empire; the plans the -azi's/Bavarians have for selling-out the planet to the aliens in exchange for one quarter of the "New W-rld Order"; and a MASSIVE N-zi child abduction & s-tanic-ritual-s-xual abuse

& m-rder ring operating within A-CO, etc.] is or at least was at one time also a worker at the Nevada Test Site. This suggests that CO-12 is intimately involved in the counter-offensive against the Grays.

"...Yellow Fruit revealed that A CONFLICT WAS GOING ON BETWEEN THE BENEVOLENT ONES and THE EBE's and that now the benevolent ones had gained the upper hand at Dreamland where he said a contingent of 37 benevolent ones were stationed and where 3 EBE's were held in captivity.

"Bizarre! Science Fiction? Yellow Fruit knew a lot about the test site area. I resolved to go to the location he gave of the EBE installation in Deep Springs, California and then on to visit Pat at the Rachel Bar & Grill to make contact with Yellow Fruit [the name for the first level of se-urity force at Area 51 and also the name of an old Army-C-A unit]. The second level of secur-ty he called "Sea Spray" and intimated that you would have an encounter of the unpleasant kind if you ever met with them.

"Callers to the Billy Goo-man Radio Happening had already organized trips to mile-marker 29 1/2 on highway 375 where a dirt road left the highway to intersect the road to Dreamland. There was a heavy black mail box on this road which identified it. I got to Rachel early one October morning and left my card with Pat at Rachel's Bar and Grill to pass on to Yellow Fruit. She knew him by sight. I then inspected the dirt roads where people stood to observe the test flights. I had already interviewed four witnesses by phone who testified that they had seen UFOs over the Groom Mountains on certain nights in the same area they were seen by John L-ar. I made a second trip to the area in late October where a public group visited Rachel and that is when I saw the mysterious Yellow Fruit in the cafe. He later called me on the phone. I left him with a copy of my book, 'Alien Magic' and he remarked on the research I had done concerning the search for underground bases.

"According to Yellow Fruit and others there are underground bases and tunnels that conceal the activities of the aliens and sec-et go-ernment projects..."

One more note on the Nevada Test Site - Area 51 - Groom Lake - 'Dreamland' underground facilities: Aside from reports that Dougway, Utah serves as an underground 'link' between Dreamland and DULCE, there is the added claim that another underground link exists farther south, at Page, Arizona. Anyone who has been to the Glen Canyon dam [Lake Powell] could easily observe how the dam might be used as an entrance to such a base, and how the large hydroelectric facility might power the base operations. Former Dulce base secu-ity officer Thomas E. C-stello who named Page, Arizona as a 'connecting' base], however if there is a base under Page, then it would be logical to utilize this hydroelectric facility in one form or another...
