Subject: More Extraterrestrials. Part 3,  
May 30, 2011.

This talks about the physical characteristics on some of the space people.

.....  
.....

There are subtle differences in the Nordic alien physiology, and most of them are based on the living conditions that they have grown up in. Their planets are extremely hot and dry, and have a low oxygen content in the atmosphere. They have a larger lung capacity than humans and have a copper based blood in order to carry oxygen more efficiently. The eyes are protected by inner lids and can allow them to see into the ultraviolet range of the spectrum. They have only 28 teeth, as they lack a back pair of molars. Their heads are longer than humans.

The brain case is about .2 mm thicker and the bone is harder. The brain is the same as the human brain as far as structure and size is concerned, except for the midbrain area, where there are functions that allow telepathic and telekinetic skills. It explains the psionic powers of the Nordics. They average about 2 meters in height. Females about 1.7 meters. They have no sweat glands. The skin allows moisture to be drawn from the air as well as moisture to penetrate. The heart beats at around 242 beats per minute, and the average blood pressure is 80 systolic and 40 diastolic. They have extremely dilated blood vessels.

The heart is located where the human liver would be. The cartilage that would protect a human heart extends down 3.5cm further in the Nordic in order to protect this structure. Blood cells are biconvex in contrast to the concave cells of humans. Kidney type functions only allow about half the liquid consumed to be excreted. The rest is evidently put back into the system. Urine is thick with minerals and appears in color and texture to freshly pumped crude oil. Feces are dry pellets with all moisture removed. The adult Nordic can regulate the amount of adrenaline in their body. They have no pineal gland. Nordic females are capable of being impregnated at any time, but the males are capable of impregnation about once a year. The period of incubation is three to five months.

#### ORANGE, THE

These entities largely converge beneath southern Nevada, northern New Mexico and possibly Utah.

Some sources refer to a human race with stinky yellow, red or orange hair, others of genetically-altered, humanoid-reptiloid strain or hybrid. They are often described often as having a humanoid form yet certain reptilian genetic features. They are also said to possess human-like reproductive organs, and possibly (or not) a human soul-matrix, and therefore a divergent branch of the human race, or reptiloid race depending on which type of Orange one is referring to.

As some accounts suggest there MAY also be orange-colored reptilians which possess no soul-matrix.

Refer to human-breeds and hybrids. Some of the "Orange" allegedly have connections to Bernard's Star. These may also be the Native American's Sitecah or Red Giants. In 1911, miners were digging out layers of bat guano from a cave located about 22 miles southwest of Lovelock, Nevada, when they happened upon the mummified remains which would have stood 6 1/2 feet tall alive. The mummy was still crowned with distinctly red hair. The ancient legends of the local Paiute Indians described a race of red-haired giants who were the enemies of many Indian tribes of the region.

#### ORIONS

Orions which come from the stars in the Orion constellation are a group claimed to be working with the government on Back Op Projects. They are very heavily involved in influencing the world population through the use of mind control. They have also been doing genetic work in which they alter a human sperm and ovum to the extent that all offspring will produce hybrids with new characteristics. Humans will mate and create children with alien genetics. That's one step beyond the average

abduction scenario. Some claim that negative entities have been associated with some of the stars in the Orion constellation. Other sources claim that the Orion Nebula is a cosmic doorway to infinity or the realm of the Creator, which transcends the time-space-matter universe. Some astronomers claim that a huge, beautifully-illuminated multicolored light has emerged from the "nebula" and is on an intercept-course with Earth, although at a rather leisurely pace and at this rate this light or star will reach earth approximately 3000 AD (give or take a hundred years). Could this have something to do with the prophecy in Revelation 21? Since the Draconians are attempting to conquer the heavens, they may have made futile attempts to enter the Eternity Gate and intercept the emerging Light.

Wa- In Heaven between Michael and the Dragon?)

This may explain the alleged presence of the Draconians in the Orion constellation, although certain human groups have allegedly become curious of the Eternity Gate as well. The Orion open cluster itself is the base of a joint Reptiloid - Grey empire called the Unholy Six, which has been working out of NEMESIS in an effort to sabotage the human presence in the SOL system. Many of the "planetoids" that have entered this system and have made observable "course alterations" are arriving from NEMESIS and the Orion-Draconian EMPIRE.

#### PHILADELPHIA PROJECT ALIENS

I refer to them as this because I wasn't given a name for this type of alien.

They were detected as one of their ships got caught up and sucked in with the Eldrich, which ended up 40 years, August 12, 1983, later at Montauk. They were about 6 foot 5 inches tall. They were essentially human in appearance. They had dark leathery skin. They had no hair. Where they came from is not for sure..

#### REPTILIAN (DRACONIAN, SERPENT)

According to TAL L-Vesque (Jason Bi-hop):

Having been within arm length of REPTOIDS, I did get to observe various details. They wore no clothes. But, they did have a "UTILITY BELT", with several unusual things on it. One "device" had a small orange light on it. When this is touched, they simply "disappear". I have quickly moved into the spots where the REPTOIDS were, instantly after they disappear.

There was no temperature anomaly in the ZONE.

I had expected it to be "cooler" in the area (if they were draining energy to manifest, like happens in various kinds of apparitions).

They did change density at times. They made heavy footsteps, in the hallway, on the wood floor. And could walk through the walls. They "glow" an electrical blue/greenish color, like some kind of AURA. The head is similar to the Reptilian Humanoids on the TV Program "BABYLON 5".

The head was more cone shaped, like the "YETI" kind of have. In fact, the REPTOIDS are built like Big Foot. The one has SCALES, the other has HAIR. The Eyes are "slit" SERPENT-like. Very strange, "flame-like" and flickery. Three fingers and an opposing thumb. With claw-like Talons (on fingers and feet). A small tail. Large Scales, like a "Breast Plate" on the chest. The scales were smaller where the body is flexible, like around the elbow. The Scales were like a SNAKE.

I guess that is why some call them "The SERPENT Race". The Scales were mostly green to very dark green, on each scale (a variation of color). They are "Telepathic". Very quick thoughts. IDEAS driven by Images and geometric Impressions. NOT a "linear" form of communication, like words. More, of a Symbol or Image Language. They DO react to your "thoughts". They can "overwhelm" you with DATA (it seems like "thought compression". It can take you a long time to assimilate their "TRANSMISSION" and integrate it. After awhile I "saw" the language, as FRACTAL "Mandelic" Hyper-Spheres or "THOUGHT FORM" constructs, to pass DATA. These sucks are data freaks. Highly Intellectual. Limited Emotional response (Hate, Fear and a "short circuit" Confusion state (mild Panic). You can think or do "the UNEXPECTED" and they do "freak out". So... stay calm and centered. They RESPECT that.

Then they "THINK" you are dangerous. But, if you Fear them, they will taunt your weakness and will DISrespect you. Careful, don't DIS-"REP" them either. They are no better than you. I "glean" they want something WE have. Something in our SOUL Nature. We can "Shift" to Theta "BALANCE" and LINK to the SOURCE. They are TOO far into analyzing. Unbalanced. They like DRUGS like cocaine, opium, Magic Mushrooms and "milking" humans for endorphins.

They can't get INTO your Mind without you having the opportunity to get

into their REPTILIAN Brain, too. They KNOW alot about the outward form of creation. They KNOW the "Force"... but, behind that is "The SOURCE". They NEED us, we don't need them.  
(But what do they need...Our Vital Source...Our Life Source..Our Soul Force ...Sutherland)

THE DULCE BOOK- CHAPTER 27:

"...[Brazilian] Jefferson S-uza claims that the following revelations are from the personal notes and scientific diaries of a scientist who was commissioned by the U.S. Government over a period of several years to visit all crash sites, interrogate captured Alien Life Forms and analyze all data gathered from that endeavor. Eventually this person was discovered to have kept and maintained personal notes on his discoveries and was therefore scheduled for termination [not just "job termination"!]... which he narrowly escaped.

Following 33 years of investigations, he went in to hiding in 1990. Here is some data which this anonymous informant reportedly gathered on the Reptilian type alien entities:

Average Height: Male - 2.0 Meters; Female - 1.4 Meters  
Average Weight: M - 200 Kilos; F - 100 Kilos  
Body Temperature: M - Ambient Temperature; F - Ambient Temperature

Pulse/Respiration: M - 40/10; F - 40/10  
Blood Pressure: M - 80/50; F - 80/50  
Life Expectancy: M - 60 Earth Years; F - 23 Earth Years
