Subject: Meeting At Ralph's Place.
Hello Friends

June 4, 2011.

The 'Prophet's Conference' was created by Cody and Robin Johnson, several years ago, to sponsor conferences at various places in the world. They have "Big Name" speakers talking about the coming transition to a higher consciousness. They also have a newsletter that announces these conferences, talks about new books, and sometimes has articles written by upcoming speakers. I have subscribed to their newsletter for some time now, and often get articles for SERI through this source. I sometimes list the conferences on SERI's 'Upcoming Events' page. I believe that they have common interests.

The Prophet's Conference has now decided to go "social", and establish small groups worldwide, that they will call "MeetUps" of "Cafe Cody Salons". This is similar to SERI's Forums. Our group in Columbia is the SERI 'Mother Forum', since it meets at SERI's International Headquarters: <http://seri-worldwide.org/forums.html>.

They will list all these MeetUps on their website, so that anyone living nearby can know to contact them. I thought that we had nothing to lose and everything to gain, if we could be listed. Maybe we might pick up some interested folks in our neck of the woods. Since we are already meeting, I gave Robin Johnson our meeting date, location and the names and email addresses of the ten of you that most regularly attend. The fringe benefit is that you will be sent the notices of the meeting a week ahead, which contains a link to a video of a recent conference speaker. This could generate and spark discussion at our meetings.

Hello Ralph, Aliceray, Becky, Ben, Cliff, Dian, Earl, Hans, John, = Suzan, Sherry,

We are looking forward to the launch of the Prophets MeetUp / Caf Cody Salons and enjoying a deep and inspiring conversation. Thank you for taking part in this!

Your first Caf Cody Salon will be starting on Saturday, June 4 at 10:00am at 11545 Yankee Hill Rd (within Marble Quarry RV Park) in Columbia. Please check with your host Ralph for directions and any additional information you may need - Tel 209-533-3759. The Salons are normally scheduled for two hours but Ralph has an established group that meets from 10am to 3pm with a break for lunch (bring a bag lunch with you). You are welcome to participate from 10am to noon, or you may stay for lunch and continue the dialogue.

To start the conversation moving we are sending everyone a video of Alberto Villoldo from his presentation at our recent conference in Palm Springs, California. Click on this link and enjoy!

Depending on your Internet connection it can take from 10 to 45 minutes to download, but is well worth it. If you have difficulty downloading/opening the video link try downloading the VLC media player - it's free - and then try opening the link.

We look forward to hearing from you after this first Caf Cody Salon. Please send us your feedback, and if one of you would like to bring a camera and take a few photos, please send them our way as well!

All good wishes,

Robin
