Subject: Musical Rapture. Part 2 of 2.  
June 24, 2011.

This describes new energies that are coming into us.

.....  
.....

It is not by chance that this Gift of He-ling Music is being given to  
Humanity  
at this time.

Remember, we are in the midst of one of the most powerful influxes of Light  
we have ever experienced. This summer the Company of He-ven is standing  
in readiness awaiting the invitation to intervene in our lives. Powerful  
celestial alignments are occurring that will help us release and let go of  
the  
behavior patterns that have kept us stuck in our dysfunctional human  
miscreations. This is an incredibly powerful and s-cred time. This month we  
will experience three eclipses and the June Solstice, all of which will  
provide unique opportunities for Humanity to add to the Light of the world  
as  
we pave the way for the unprecedented influx of Divi-e Love that will be  
secured in the physical plane through every person's Heart Flame, in August  
13-18, 2011. For details about this event you can go to my website and click  
on the box that says 25th Annual World Congress on I-lumination.

Each of these alignments will build on the previous influx of Light which  
will  
catapult the Earth and ALL her Life further up the Spiral of Ev-lution. This  
will  
move us a quantum leap toward our ultimate goal of Ascension into the  
5th-Dimensional frequencies of Divin- Love and Unity Consciousness.

Subject: The State Of John Winston.  
June 23, 2011.

We have the speech called The State Of The Nation, The State of  
California,  
so here is what I call the State of John Winston.

Some people wonder how I'm doing and feeling. Here's a report on that  
subject.

Eight days ago I was fishing with my son on Pincrest Lake. I noticed that  
there were a lot of Chemtrail in the sky. The next day I started having the  
runs and went to the bathroom 4 times in a row. I then start throwing up  
everytime I moved my head for the next 4 days. I then found a new one  
that they had put in the chemtrails this time and that was I couldn't  
maintain  
my balance to stand up and had to use a stroller to walk. Then they took me  
to  
a hospital here in Sonora and gave a me a lot of tests. I was taken to

Kaizer

hospital in Modesto by ambulance. Next I was taken to Kaizer hospital in Stockton, Calif. and then sent home. I can't see well and when I look a certain point it looks like two points, so I have to use only one eye at a time to use the computer. I've lost to use of one ear and can't hear anything but

hear a lot of chirping, ringing and liquid running through my ear.

The stange thing about it is that 5 of my friends have the same symptom. They call it Verdigo.

So I am now improving and can walk a little without the stroller.
