Subject: MUSICAL RAPTURE...A H-aling Gift for Humanity

June 21, 2011, Solstice

Precious Hearts, I would like to share with you information about a sacred and wondrous musical gift that is being given to Humanity. The Divine Intent of this gift is to assist each of us through the physical challenges we are experiencing as we move through this auspicious time. Please read these words with an open heart and an open mind. We have been longing for the time when Heaven and Earth would come together to assist us in our endeavors to transform ourselves and this planet. This is that moment.

I would like to share a little background about this musical gift. 2011 began with an incredible influx of Light. On December 21, 2010, we experienced the Solstice and a very powerful Full Moon Lunar Eclipse. The synchronicity of these two events occurring at the same time had happened only one other time in the past 2,000 years.

That Lunar Eclipse took place within two degrees of the Galactic Center which opened a mighty portal of Light from the Core of Creation into the Center of the Earth. The Light of God that poured through that portal initiated incomparable pivotal changes for all Life evolving on this planet.

Once the portal was opened, the Light of God built in momentum until the New Moon Solar Eclipse which took place on January 4, 2011. During that monumental influx of Light, Lightworkers around the world joined hearts with the Company of Heaven and cocreated a NEW Planetary CAUSE of Divine Love. The powerful Light that bathed the planet during that two week period catapulted every atomic and subatomic particle and wave of Life on Earth further up the Spiral of Evolution. This paved the way for a God Victorious 2011 which is a year that the Beings of Light have heralded as ♦The Transfiguring Year of Rebirth and Renewal.♦

On Christmas Day, in the midst of that incredibly powerful influx of Light, our beloved son Joao got sick. On December 29, 2010, he passed away from complications with pneumonia. Joao was 42 years old. He left behind his wife and three beautiful sons. Since his transition, Joao has shared with his Father and me that his time on Earth was complete. He said that he was able to move directly into the Light and that he is now working with Archangel Michael and the Legions of Heaven. He said that he will be able to ♦Gift♦ Humanity in our service to the Light in ways that he could not accomplish from the physical plane.

When Frederic Delarue, a wonderful French musician, received my e-mail announcing our son's transition into the Light, he said he felt very connect

to Joao's s-ul. Frederic said that he knew Joao was trying to connect to with him and that he needed to be at Joao's Celebration of Life ceremony, which took place on January 8, 2011, in Tucson, Arizona.

Once Frederic made the heart commitment to attend the service in Tucson, Joao began communicating with him. Joao asked Frederic if he would accept the responsibility of receiving a musical transmission that would be a legacy for his family.

Frederic agreed to Joao's request without knowing any of the specifics about the music. After Frederic returned from Joao's Celebration of Life ceremony, Joao began to reveal to Frederic just what this music would be, a He-ling Gift for Humanity.

When Frederic Delarue was 12 years old he had a near d-ath experience after which he realized he was given an amazing gift of music. When Frederic was 13 years old the A-gelic Music of the Spheres began flowing through his hands as he played people's so-l songs. He just quieted himself, moved his own consciousness aside, and the music of the person's sou-flowed through his hands.

For the next few months after Joao's transition, Frederic said that Joao would come to him and tell him some things about the music and how it was to be distributed. Then, just before Easter, Frederic awoke with a powerful heart prompting to go to France immediately, so he made arrangements and flew to France. During the month of May while he was in France, he went to Rennes-le-Chateau on several occasions. Rennes-le-Chateau is a s-cred focus of Mary M-gdalene, who is at this time working with Mother M-ry and all of the Feminine Aspects of our Father-Mother G-d to bring to the consciousness of the world the return of the Div-ne Feminine, our Mother Go-, or as we have often referred to this Aspect of De-ty, the Holy S-irit. Frederic said that when he sat in the church and contemplated the Presence of Mary Ma-dalene, he had a m-raculous experience that transformed his life. He returned home a different person. He knew that his experience with Mary Magd-lene was a necessary factor in preparing him to receive Joao's gift of he-ling music for Humanity.

During the month of May, while this initiation was occurring for Frederic in France, Mother Mar- was assisting every one of us in a mirac-lous way. Over 40 years ago Mother -ary told us that prior to Humanity's embodiment this time she had made a covenant with every man, woman, and child on Earth. She said that in the not too distant future, when Humanity was open and receptive to the influx of Divi-e Love from our Mother -od, the Holy -pirit, she would draw us into her Temple of the Immaculate Heart and assist our I AM Presence to expand the Threefold Flame in our heart to its original size. She said that this would greatly enhance our ability to receive and assimilate the frequencies of -ivine Love from our Mother G-d and the 5th-Dimensional Realms of Go-'s Infinite Perfection.

The Threefold Flame in our heart originally enveloped our physical, etheric, mental, and emotional bodies. It was the perfect balance of our Father G-d's Blue Flame of Power, our Mother -od's Pink Flame of Divine Love, and the Son and Daughter of Go-'s Yellow-gold Flame of Wisdom. It was the true reflection of the Holy Trinity. When we fell from Grace we closed our hearts so we would not feel so much pain. This blocked the portal through which our Mother G-d's Love entered the world. This caused our Threefold Flame to become imbalanced, which caused us to lose the awareness of our Mother G-d. Our Threefold Flame eventually shrunk to what we now refer to as the spark of Divinity in our hearts. Well, now that we have cocreated a NEW Planetary CAUSE of Di-ine Love everything has changed!

This May as we each slept at night, our I AM Presence escorted us into Beloved Mother Ma-y's Temple of the Immaculate Heart in the Inner Planes. Within her focus of Light, Mother Ma-y helped our I AM Presence to expand the Threefold Flame in our heart to its original intensity. This is the fulfillment of the covenant Mother Mar- made with each one of us prior to this embodiment.

On June 10th, Frederic sent me an e-mail and said that he wanted to talk

to me about Joao's music. I did not know anything about Frederic's trip to France and he did not know anything about the gift that Mother Mary was giving to Humanity during the month of May. We talked about those things and he said that since he returned from France, Joao would not leave him alone about the music. He said Joao seemed to feel that there was now an urgency to make this music available to the world. Frederic asked me to ask Joao about the music to be sure that the message he was receiving was correct.

That night I asked Joao about the music and Frederic's information. Joao said that all was in readiness, and that it was time for this music to be made available to the world. He said for me to let Frederic know that Sunday, June 12th was Pentecost, the day that is celebrated as the Baptism of the Holy Spirit, the Divine Mother, and that there would be a greatly amplified influx of our Mother God's Divine Love on that day. Joao gave me a quote to include with the music that he would play through Frederic's hands. This is the title of the music followed by Joao's quote:

MUSICAL #160; RAPTURE
A Healing Gift for Humanity

The next morning Frederic e-mailed me and said, This is the day. It was Pentecost. Frederic said that early that morning Dr. Florence Phillips, who was the only Minister to allow him to do his work with the Anglican Music of the Spheres without conditions, passed away from cancer after being in a deep coma.

Right after I received the e-mail from Frederic Joao's Dad called me into the kitchen to see a magnificent White Dove that had flown into our garden. We have lived in our home for 45 years and we have never seen a White Dove in our garden.

Frederic prepared his equipment and turned everything on so that he would be ready. When the time was right, Mary Magdalene expanded her luminous Presence and held Frederic and Joao in the embrace of her radiant Light as Joao played his healing music through Frederic's hands.

Joao said this music is encoded with frequencies of healing that Humanity has not been able to reach until now. This is being made possible because of the expansion of Humanity's Threefold Flame, the return of our Mother God, and her monumental influx of Transfiguring Divine Love. He said for Frederic and me to make the highest possible resolution of the music available to Humanity. Otherwise, some of the new healing tones might be missed.

Joao said the Company of Heaven is going to help anyone who wants the music to have access to it through his or her own computer or through the computer of someone they know. He said all is in Divine Order; all Frederic and I need to do is make the music available through the highest possible resolution for anyone who wants to experience it.
