Subject: Montauk. Part 6.  
July 11, 2011.

This talks about some space people who wear wigs.  
.....  
.....

Could they be doing this over the media, like television and radio?

Of course.

You're suggesting a state of absolute corruption.

Absolutely correct. Planned corruption.

With this kind of technology, why do they need concentration camps?

Because there are always people that are resistant.

I would think that they would annihilate them, not lock them up. The first step is the camps, where you can handle them easier, then you can eliminate them en masse. You don't go down the streets shooting everybody down. Once you're in the camps, they break you down mentally. They're experts at that..

We think they're shipping g-illotines in there for the people that don't comply. They're looking for a slave labor force. That is what H.R. 4079 is about that's in Congress now. It creates a slave labor force in the prison system, which will be privately owned. States will pay the private prison a fee in order to put their prisoner in there.

Yes.

What are some of the other projects that relate to the capacity of factions operating within the United States Government and corporations to manipulate and control the population?

Well between 1977 and 1978 a project called Dreamscan came on line. It ceased in 1979. The goal of the project was to gain the technical ability to enter into an individual's mind in the dream state and cause his death. There was a movie called Dreamscape which showed what they discovered they could do. The project was run by the Secret Government and managed by the NSA. The purpose of the project was to provide for a means of covert assassination.. President Carter found out about it and had it stopped. The hardware is still intact and in storage. There have been attempts to put it back on line by various intelligence operations, some of which are said to involve A&T operatives.

What else?

Around 1987, a project called Moonscan started. It lasted into 1989 and involved positioning mind control equipment on the moon for use on the population of earth. It, like the others, has clear connections to negative alien activity.

Who ran that one?

It was managed by an organization called Airborne Instrument Laboratories (AIL), who have had other covert projects under their wing. At the time, AIL was run by E-ton Corporation. It is now managed by the Department of Defense as of 1988. There are three branches of AIL: Covert, Commercial, and Defense.

Any other mind control programs that you can mention?

There was a project called Mindbreaker that would allow paralysis of the mind. The aliens were heavily involved with that project. It produced several neurological weapons, some of which are used on the B-1 bomber, which also contains a lot of alien technology. At time, various alien species came and went out of AIL. There was one group called the K-Group, which was short for the Kondrashkin. They had pale skin that

had a slight greenish tint and almost no hair. They looked human, and had to bleach their skin and wear wigs. They have been periodically involved with covert projects since the 1940's.

Where has AIL been located?

In New York State, at Farmingdale, Deer Park and Long Island.

What is the current status of AIL?

Well.. there were eight projects ongoing at AIL that also had to do with the development of weapons against aliens. In 1989 the Orion group discovered this and destroyed the projects. It can only be assumed that AIL still functions in other areas.

What other research goes on at Long Island?

Research on scalar weaponry, like the one that destroyed the Challenger.

I thought the Challenger was destroyed by the Soviets using scalar weapons?

No. The Soviets didn't do that. The oddity with the incidents as far as the Soviets were concerned was that they pulled their ships about 150 miles out to sea before it happened. They were not the direct cause, which was a scalar weapon that they were trying to put into orbit and test. It accumulated a charge while the Challenger was going up through the atmosphere and turned itself on. That is what destroyed the Challenger. It might have been deliberate.

What was the ultimate power behind the Phoenix projects?

Ultimately, the whole thing is manipulated by the Orion group. The expectation was that they could use mind control to take over the populace in the 1990's - no later than 1994 or 1995. They have also been doing genetic work in which they alter a human sperm and ovum to the extent that all offspring will produce hybrids with new characteristics. Humans will mate and create children with alien genetics. That's one step beyond the average abduction scenario. There are other things happening with the human race.

Like what?

Since 1947, there have been components of the 6th race incarnating on the planet. The 5th race was the Asians. The 6th race humans are 100% telepathic - the secret government and the Orion group sees them as a threat. They've been aware of it since 1942.

Wasn't there a movie about something like that years ago?

Yes. I don't remember the name, but it came out in 1982. In that film, there was a drug that made babies that were 100% telepathic. This kind of thing has actually happened. There was a Canadian company that was producing a drug which turned out to do just that. This was between 1946 and 1947. It was removed from the market immediately, although its use continues privately.. In the movie, the government had a way of using electromagnetics to explode a person's head to get rid of them.

Sounds like something they might have developed at Montauk.

It does, doesn't it?

What is the current situation with aliens?

Somewhat mixed and confused. There has been a lot going on all around the planet. In September and October 1990 there was an alien group from some other dimension that was attempting to invade the planet. They took down all the zero-time generators all over the country. The FAA was especially affected. The rogue group was stopped by another species. For many years, some factions of the Orion group depended on a ring of alien satellites that would sustain life functions. Those were wiped out in November 1990 by the same group.

So there are positive light forces out there that are seeking to balance these negative activities by the Orion group?

Yes. I am not at liberty to tell you their identity.

Do you think that this group is related to those who flew over military

nu-lear silos and rendered the w-rheads inoperative?

I don't know if they were involved, although I could ask. The nuc-ear charade is another thing on a cultural level. The idea of nuc-ear -ar was eliminated a long long time ago by all major powers on Earth. The threat of a nu-lear winter and the fact that you can't detonate two nuc-ear devices too close together in time stops them from doing it. I think a lot of people are aware that the same forces that control the Un-ted States today are the same forces that supported the buildup of N-zi Germany and the Soviet Union and arranged for WWII and Vietnam. The public has been lied to in so many are as since the early 1930's that they don't know what's going on. Most people still think that the Cong-ess and the Pr-sident run the country and that they have Constitutional rights.

How about some interesting technology spin-offs from the Philadelphia experiment?

Well, there are a lot of them in use by the -IA and the -SA, as well as other corporate and gov-rnment agencies. There is a portable unit that can render an individual invisible. The NS- is known to use those on a fairly regular basis. There is also a UFO research based covert organization that is believed to have them?

And what would that be?

Well, its a super sec-et international organization that is funded by all major gov-rnments. It performs research on aliens and alien technology, coverup operations, and also does espionage. The group is negatively oriented and is considered to have no positive attributes in relation to other humans.. It is called the International A-rospace Alliance.

How does it fit into the hierarchy of command and control?

It's connected to M-- 12, which is believed to be headed by Ki-singer at this time. It is also connected to the Joint Ch-efs of Staff and the Pre-ident.. ALL type units are also connected to the MJ group.

I have heard a tape of Robert L-zar, the EG & G scientist, and others who indicate that the highest clearance level is ULTRA. Is that it?

There is also B-ACK LEVEL clearance.

What is involved with those little implants that are spheres?

Those devices are about 3mm in size. They are called SBMCD's, or Spherical Biological Monitoring and Control Devices. They represent an organically enhanced synaptid processor powered by a micro-positron flow that controls or mimics the functions within the human nervous system with micro relays that duplicate brain operation or engram patterns.

Part 6.
