I hope the good type space people will help us correct this situation.

I remember seeing other men in b-ack t-shirts and pants on the same training course at one time. Other times I found myself on some aircraft carrier out at sea. After the mission they would take me back and I would return to college after a couple of days or even hours not remembering what even happened. All of these missions were done between the time I was 15 years old and until 1988-1992 under deep hypnotic programming with the memories erased, until of some of my memories started to return. I was also taught to handle various types of guns, loading, cleaning, special characteristics of each model and firing at exact targets repeatedly and perfectly without thinking, just doing.

Tell me more about your involvement in the Montauk Project. I was involved in an off shoot of the Montauk Project called the Montauk chair. Basically the Montauk chair was developed to give the human and sp-rit a zero point of reference to facilitate time travel. What the chair essentially does is separate the mind from the body. The chair operator's thoughts and vibrational energy is picked up by umbrella looking antennas above the chair, sent to a computer, over to a processor, then amplified several hundred times. The information is sent to a network of f-ee energy crystals arranged in a circle. Then whatever thoughts were amplified, i.e., a time period, a wormhole would open up in the room. The wormhole was as large as 16-18 feet across and even large enough for a truck to go through. In Camp Hero, Montauk, the location is the cross hairs of the earth's biorhythms and is the point on earth where time travel is most easily accomplished when earth is the point of origin.

My part of the Montauk chair project was to use my focused visualization skills to think of specific time points in history that were assigned to me. The chair is connected to a sophisticated computer system and thought amplifier, such that when a thought or time period is visualized, the computer simulates a time portal based on that point in time. A series of time portals are done until a library of time periods and portals are accumulated. The chair is also used to amplify extremely focused thoughts to create three-dimensional materializations based on the operators thoughts. Preston N-chols wrote several books on the Montauk Project and describes an incident in which http://www.bibliotecapleyades.net/montauk/rainbow/duncan_cameron.htm Duncan Ca-eron created a monster while in the Montauk chair. One such time travel mission was called Project Southern Cross. It was used to win WW2 in favor of the allies. What the US gov-rnment did using time travel was to go back in time to the 1940's to help us win the wa-. We would deliver communication devices, weapons and technologies made out of 1940's parts. These would be delivered to the 1940's along with a complete set of drawings on how to make them out of 1940's parts. I took part in several of these deliveries, one time I was sent to Germany and another time to England. I was not allowed to speak to anyone, other than deliver my parcel and quickly return back to our time. And this was all done under deep hypnotic programming, so I didn't have a lot of freedom to explore. I was gone no longer than two hours for the deliveries.

Have you ever encountered any extraterrestrials or seen any aliens in any of your underground base memories?

From what I understand the Department of the N-vy made an agreement with the alien Greys to exchange technologies for human women and children to conduct horrific b-eeding experiments. This is what is going on right now in an underground base not far from Miami, Florida.

I have been told that I have many children from alien breeding experiments. I have had abductions with the Greys also.

I was introduced to a group of beings that claimed to be a sub group of

the I-luminati.

They were made up of a group of about 40-50 men, all 6' 2" or taller, white, and of an indeterminate older age, averaging 70, but I suspect much older considering the technology they have access to. They convened in a boardroom that I believe was in an underground base, perhaps Camp Hero, Montauk. They sat around a large football shaped table made of wood.

Each high backed chair had a light at the tip and each sitting had a TV type of screen and control panel that came out from the table.

There was a huge screen located in the front of the room as well. I have reason to believe that not all of the Ill-minati are human, but in actuality are alien beings that appear to look human.

EL:

Who or what groups do you think are running the show here in the US or even on Earth? How do the aliens fit into all of this?

It is very complicated, but basically there are four main versions or groups of the New W-rld Order, all with slightly varying agendas. The first group comprises the US and Western Europe (i.e., England, Germany, France and the US). The second group is Eastern Europe fused with Western Europe and the US. The third group is the countries of the Orient, and the fourth is the Middle Eastern-Saudia Arabian elements and all the o-1 money.

There are also off world groups (aliens and future human N-zi's types called Zardanians, Reptilians, Greys and Dracos) who also have a hand in the N-O plans. For the time being, the old money groups of Europe and England have teamed up with die hard Na-i factions, J-ws and A-ericans forming the group that has always been known as the Illum-nati and affiliated sec-et societies. This large international group controls the media, p-lice force, mi-itary, etc. The Illumin-ti is also part of http://www.bibliotecapleyades.net/esp_sociopol_nwo.htm the NW- plan, which includes members such as George B-sh, Prince C-arles and other high ranking people.

Some are sleeper operatives who don't even know they are being used to a certain extent. It makes it hard to trust anyone at this point.
