This says that EMF Is cumulative.

What's worse is that computer charging devices are ungrounded, so ideally, you'll only want to use a laptop when it's running on battery; not when it's plugged into an outlet and charging. The same goes for iPads, Kindle's and even cell phones. Pregnant women should be especially careful using these types of technologies while plugged in.

According to Vickie, the amount of EMF you're exposed to from a laptop that is plugged in compared to a laptop that is running on battery is about a hundred times higher!

Final Thoughts

Taking the actions discussed above can help to significantly reduce your and your family's exposure to electric- and magnetic fields. It's important to remember that all of these exposures are cumulative it all adds up, so whatever you can do to lessen your exposure can have a beneficial impact on your overall health and well-being.

"I was talking to a group just recently and I was joking that we've now come full circle with the smoking concept," Vickie says. "You can't smoke in buildings anymore because of second hand smoke. There are smoking rooms.

Maybe someday our children, or maybe our grandchildren, will come up with cellphone rooms. Unfortunately it takes two generations; it's going to be two generations before they actually say, "Look, these probably k-lled our grandparents." Maybe it will eventually come to that, but not anytime soon. In the meantime, we just have to remediate the threat to the extent that we can, to reduce exposure as much as possible.

If you can afford it, you could go as far as hiring a professional to implement the changes needed. For more information, please contact Wings of Eagle Healthy Living at www.wehlinfo@wehliving.org. Wings of Eagle Healthy living is a a 501c3 non-profit founded to grassroots education.

"We will work with anybody who is willing to start making a difference," Vickie says.

Subject: OLD COMEDIANS

These are funny one liners and jokes...many are so very old but still quite funny!

Those Fabulous J-wish Comedians

You may remember the old Je-ish Catskill comics of Vaudeville days:

Shecky Greene,
Red Buttons,
Totie Fields,
Joey Bishop,
Milton Berle,
Jan Murray,
Danny Kaye,
Henny Youngman,
Buddy Hackett,
Sid Caesar,
Groucho Marx,
Jackie Mason,
Victor Borge,
Woody Allen,
Joan Rivers,
Lenny Bruce,
George Burns,
Allan Sherman,
Jerry Lewis,

Shelley Berman,
Gene Wilder,
George Jessel,
Alan King,
Mel Brooks,
Phil Silvers,
Jack Carter,
Rodney Dangerfield,
Don Rickles,
Jack Benny
Mansel Rubenstein
and so many others.

And there was not one single swear word in their comedy. Here are a few examples:

* I just got back from a pleasure trip. I took my mother-in-law to the airport.

* I've been in love with the same woman for 49 years! If my wife ever finds out, she'll k-ll me!

* What are three words a woman never wants to hear when she's making love? "Honey, I'm home!"

* Someone stole all my credit cards but I won't be reporting it. The thief spends less than my wife did.

* We always hold hands. If I let go, she shops.

* My wife and I went back to the hotel where we spent our wedding night; only this time I stayed in the bathroom and cried.

* My wife and I went to a hotel where we got a waterbed. My wife called it the Dead Sea ..

* She was at the beauty shop for two hours. That was only for the estimate. She got a mudpack and looked great for two days. Then the mud fell off.

* The Doctor gave a man six months to live. The man couldn't pay his bill so the doctor gave him another six months.

* The Doctor called Mrs. Cohen saying, "Mrs. Cohen, your check came back. " Mrs. Cohen answered, "So did my arthritis!"

* Doctor: "You'll live to be 60!"
Patient: "I am 60!"
Doctor: "See! What did I tell you?"

* Patient: "I have a ringing in my ears."
Doctor: "Don't answer!"

* A drunk was in front of a judge. The judge says, "You've been brought here for drinking."
The drunk says "Okay, let's get started."

* Why do Je-ish divorces cost so much?
They're worth it.

The Harvard School of Medicine did a study of why Jew-sh women like Chinese food so much. The study revealed that this is due to the fact that Won Ton spelled backward is Not Now.

There is a big controversy on the Jewi-h view of when life begins. In Jewis- tradition, the fetus is not considered viable until it graduates from medical school.

Q: Why don't -ewish mothers drink?
A: Alcohol interferes with their suffering.

Q: Why do J-wish mothers make great parole officers?
A: They never let anyone finish a sentence!

A man called his mother in Florida,
"Mom, how are you?"

"Not too good," said the mother. "I've been very weak."
The son said, "Why are you so weak?" She said, "Because I haven't eaten in 38 days."

The son said, "That's terrible.

Why haven't you eaten in 38 days?"

The mother answered, "Because I didn't want my mouth to be filled with food if you should call."

A Je-ish boy comes home from school and tells his mother he has a part in the play. She asks,

"What part is it?"

The boy says, "I play the part of the Jew-sh husband."

"The mother scowls and says, "Go back and tell the teacher you want a speaking part."

Q: How many Jew-sh mothers does it take to change a light bulb?

A: (Sigh) "Don't bother. I'll sit in the dark. I don't want to be a nuisance to anybody."

Short summary of every Jewi-h holiday:

They tried to ki-l us. We won.
Let's eat.

Did you hear about the bum who walked up to a Jewi-h mother on the street and said, "Lady, I haven't eaten in three days."

"Force yourself," she replied.

Q: What's the difference between a Rottweiler and a Jewis-mother?

A: Eventually, the Rottweiler lets go.

Q: Why are -ewish men circumcised?

A: Because J-wish women don't like anything that Isn't 20% off.
