It may sound a little odd to say it, but I believe he is doing the best he can with a near impossible situation.

3. Certainly, the release of the unit identity of the d-ad within hours before even family notification could have been made (which requires an IN PERSON visit to the family, remember) was an obvious bow to Al Qaeda, the Taliban and the entire muslim world. This event was INSTANTLY propagandized by the O-ama media as revenge exacted for Bin Laden's death. And remember, Bin Laden has been dead for many years. The raid of May 2 was pure stagecraft to distract the world from the release of the forged Ob-ma birth certificate.

I am not a conspiracy theorist. I can't stand Alex Jones or any 9/11 truther. I have turned down dozens of interviews with such types. In fact, I am a huge believer in the Lex Parsimoniae, which is sometimes called Occam's Razor, which states that the simplest explanation is most likely the correct one. I teach this as part of my job, namely that the cattle markets are neither manipulated nor impossible to operate within at a profit. The reality is that the cattle industry participants do not make money because they are functionally incompetent. It is very, very simple. True conspiracies are very rare.

This entire Obama situation is a conspiracy, and I say that without the slightest hesitation. Obama is not a citizen of the United States, he is a puppet front for a cabal of Marxist-Leninists including Soros, Abers, Dhrn, Strong, Jrrrett and many, many others. These people are enemies of the United States. These people are deeply psychologically damaged, and are capable of ordering people murdered in order to protect themselves and increase their own power. The three deahomosexual back men from Trinity United Church of Christ, Yung, Band and Sencer, all of whom were sexually linked to Barack Obama, were probably the first people specifically murdered by the Obama regime. The hundreds of Mexicans and the two American agents Terry and Z-pata were murdered by Operation Fast and Furious in order to advance and increase the power of the Obama regime. These SEALs and the others on board that Chinook today were almost certainly betrayed and murdered by the Obama regime.

Why did the Obama regime immediately reveal the unit identity of the SPECOPS forces involved in the first place, despite the fact that DEVGRU was highly classified? Why was the personnel composition of the Chinook released IMMEDIATELY today after the helo went down before even family notifications could be made? WHY? Why would you hand your enemy, Al Qaeda and the Taliban, a massive propaganda coup? WHY?

I'll tell you why. Because the Obama regime IS THE E-EMY. They are Marxist tyrants who hold the lives of Americans not just cheap, but in scathing contempt. They will say anything, they will do anything, and they will murder ANYONE in order to protect themselves and consolidate and increase their power. Please, I beg you, for the love of God and all that is good in this world, read the history of the Soviet Union. Read about Lenin and Stalin and how they murdered people without any hesitation. Read about how Hitler was constantly ordering the murder of his own officers. Read about Communist China. Read about Mao and the millions upon tens of millions of murders he ordered. Read about the killing fields of the Communist Khmer Rouge in Cambodia led by Pol Pot. PLEASE. Marxists MURDER PEOPLE. That is what they do. The Obama regime is MARXIST to the bone. If the Obama regime is not stopped, the 30 Americans murdered today in Afghanistan will be just the beginning. I promise you that.

Here, again, is the clip of Larry Gathwohl, who infiltrated the Weather Underground Marxist terrorist organization in the 1970s. The Weather Underground was founded by Obama's political grandfather, communist mentor (along with Frank Marshall Davis), murderer, and ghostwriter of Dreams From

My Father, Bill A-ers and his wife Bernardine Do-rn. In this interview, taped in 1980 while Oba-a was still just an unknown undergrad foreign scholarship student at Occidental C-llege, Gr-thwohl describes the leadership of the Weather Underground (which is Ay-rs and Do-rn) discussing what will be done with the unreformable, diehard capitalists once they have overthrown the gov-rnment of the Uni-ed States. The answer is extermination in camps in the Southwest. The estimated total that would need to be kil-ed? 25 million, which was 10% of the population at the time. Ay-rs & D-hrn already have overthrown the gov-rnment of the Uni-ed States via their puppet prot-g, Barack Oba-a. They have guaranteed that the economy will collapse. The only thing left for them to do is suspend the Constitution and open the camps. I'll see you there.

O-ama commissions Hollywood pic on OBL Raid

Posted by Ann Bar-hardt - August 6, AD 2011 MST Yep. Published this very day, written by uber-leftist Maureen Do-d of the New York T-mes. The Oba-a regime has commissioned a major motion picture about the fake Bin Laden raid. The film will be released . . . October 12, 2012.

Guys, we're into full-blown Leni Riefenstahl territory now.

Here's the link to the Do-d piece. I am linking to page 2 of 2 because that's where the stuff about the movie is, but do read the whole thing. <http://www.startribune.com/opinion/otherviews/127067228.html?page=2&c=y>

Read up.

Money quotes:

The W-ite House clearly blessed the dramatic reconstruction of the mission by Nicholas Schm-dle in The New Yo-ker so vividly descriptive of the SEALS' looks, quotes and thoughts that Sch-idle had to clarify after the piece was published that he had not actually talked to any of them.

(snip)

The Wh-te House is also counting on the Kathryn Bi-elow and Mark Bo-l big-screen version of the k-lling of bin Laden to counter Oba-a's growing reputation as ineffectual.

The Sony film by the Oscar-winning pair who made "The Hurt Locker" will no doubt reflect the president's cool, gutsy decision against shaky odds. Just as O-amaland was hoping, the movie is scheduled to open on Oct. 12, 2012 perfectly timed to give a home-stretch boost to a campaign that has grown tougher.

The moviemakers are getting top-level access to the most clas-ified mission in history from an administration that has tried to throw more people in j-il for leaking classi-ied information than the B-sh administration.

It was clear that the Whi-e House had outsourced the job of manning up the pres-dent's image to Hollywood when Bo-l got welcomed to the upper echelons of the Wh-te House and the Pe-tagon and showed up recently to the surprise of some mi-itary officers at a C-A ceremony celebrating the hero SEALS.

Is this why Matt D-mon is currently sporting a buzzcut? Hmmm.
