"Many being live deep ocean and hollow earth can give u human answer  
and helpings

When u understand ocean u will understand how cosmic travelings work easy  
ok  
Ocean have same compositing than space same element ok

cee wat moving is doing and why  
ask yor leaders  
yor leaders prepare  
u stil not prepare why  
0000 is here make ready yor mind soul body now"

Comments by the Entity on the spiritual evolution of  
aliens/extraterrestrials and ascension (some specifics remains classified):

"They r many evolved physical but not many evolved spiritual  
u human have evolved more spiritual than them  
But they want hold on their wise technology  
Their god is their technology"

"Me understand your ascension asking wordings  
me tel u now your ascension is nothing more than mass abduction thing ok"

"We won war with reptile our line time long ago we evolved then  
reptile your line time keep u back u can not grow"

"We kill many dragons many line times long ago  
stil dragons left in hollow ground your line time long ago"

"Earth not solid  
Me not know all theory things  
Dragons like beings live hollow ground stil

They very wise now  
They peaceful like dolphin now"

"Me not know all these things  
Even stranger beings exist other line times  
Beings evolved living all line times always never stop"

"We can speak to all creature who have mind to understand ok"

Some questions asked by the Entity to the researchers:

"Ok me first question ask  
What purpose your moon?  
Me line time moon demise long ago  
Life become better with no moon  
Why u stil have moon  
What purpose your moon have u  
Moon not natural heaven body  
Moon put there by other being to control earth mood  
Without moon big calm comes over peoples no big storm anymore only"

lifel storm without moon peace among people  
Elders say old race capture moon from space then put next earth  
Elders say moon forces work like time mashine keep control time  
Moon also control mood of beings on planet in this line time"  
"Me have question  
Me ask question now  
Me see u xplore mars planet with many mony and resourcings  
Why u not xplore deep oceon yor own planet with same many mony  
and resourcings  
Deep oceon give al aswers yor existencing and future  
Deep oceon have much knowledges u stil need lern  
Me tel u some s-cret  
Some places deep oceon water presures so big that air u breeth can  
not bubble to surface  
This air traping cause big caverns where humans can live and do  
breathings of good air and plant and live very wel  
Deep oceons have many crystal solves al yor energising needs no  
polution  
Uignore yor best lifeline by not seekings answerings from yor own deep  
oceon  
Go- provide deep oceon why u not use what is given  
Earth is a water planet yet u leaders look answers in space why  
deep oceon have al answer for cosmic travelings this line time why u  
ignore this in your history  
When u solve mysteries of deep oceon u wil solve mysteries of space  
ask dolfin they tel u this ok"
