Ha Ha Ha! DC Quake, E-ites underground Bunkers Have Been Nuked!!
6 Strange Anomalies With The Virginia Earthquake

August 30, 2011

For the past week, a s-cret meeting of 57 finance ministers aimed at setting up a new international financial system took place in a large ship on international waters near Europe, according to White D-agon Society representatives who were there. The meeting, hosted by S-itzerland, deliberately excluded representatives from the US F-deral Reserve Board and its Washington D.C. subsidiary, France, Italy, the UK, Germany and Japan. Countries like R-ssia, C-ina and the N-therlands were among the 57 represented. Representatives from the P-ntagon and the US agencies at the meeting promised to bypass the Federal Re-erve board and use their access to codes for the international collateral accounts to finance the US mi-itary i-dustrial complex in conjunction with the new system.

The Swiss used their financial intelligence to refuse would-be participants who were in any way associated with either the B-lderberg Group, the Council on F-reign Relations or the T-ilateral Commission. Among those refused entry were Naoto K-n (still Prime Mi-ister of Japan as of last week), IMF head Christine L-garde and US Senator J. R-ckefeller. Ro-kefeller was actually physically prevented from boarding the ship, according to two eye-witnesses.

did anyone see this on Quayle's site?

Hi, steve. In Pin Oak WV, (the day after the VA quake two witness's at sunrise witnessed the ground shaking, smoke and flames of blue ,orange and yellow shooting up out of the ground.

This is a very unpopulated area in the Mountains off US RT. 29 in Hampshire County WV. My aunt relayed this to me today and she is trying to get exact locations so I will update you when I get more info. There are no gas lines or anything flammable to do this in that area , its very off the beaten path. It scared these women to d-ath.
