Subject: Andromeda Helped Us Out. Part 2.
Sept. 2, 2011.

Here is how the AC council got permission to help us out.

.....
.....

"This proxy w-r to free Earth from thousands of years of negative energy bombardment manipulation and control was fought on behalf of Earth - by star system & planetary council member r-ces of the: Andromeda Council. Those members that bore the brunt of the burden did the greatest amount of fighting included: Arcturus Tau Ceti and Procyon. The contributions of the Procyon people were especially valuable because they learned the weaknesses of these malevolent menaces - they learned how to 'sniff ' them out & beat them.

The people of Procyon just recently liberated themselves within the past 12 years of Earth time.

So that the Council could intercede on Earth's behalf extensive discussions were held and a new law was passed over-riding what is ubiquitously known as the 'Prime Directive' of non-interference? A conscious collective decision

was made by the Council to break precedent and do this... because Earth's people living a 3rd dimensional life just did not have the 4th dimensional physiology knowledge tools or technology to win.

This war was fought to secure the total freedom of planet Earth and her people from the menacing interference of primarily two regressive ra-es: Reptilians from the star system Alpha Draconis & Hydra and a specific variety of renegade Greys now living in the Orion star system. These Greys are the progeny of Zeta Reticulans who have not been home to Zeta Reticuli 1 or 2 in at least a few thousand years.

Earth is not the only planet they have terrorized. From what I have learned there are at least another 21 planets that need to be freed from these menaces. Fortunately they can be beaten as indicated by the liberation of the Procyon people from these malevolent self centered self-serving... life draining entities.

Note: of the Grey rac-s the prime ancestor -ace - the original Reticulans from the binary star system Reticuli - the ones who in their waning days exhibited awareness of themselves their fallibility and the fragility of life

and realizing the pending d-ath of their r-ce - these original Zeta Reticulans

not affiliated with the Draco Reptilians were willing to share all they had learned. Due to their humility the Andromeda Council intervened stepped in and helped relocate them to a completely different star system. These people the original Zeta Reticulans no longer live in the Zeta Reticuli star system.

All other known variety of renegade Greys causing problems on Earth are being dealt with and are being removed from their underground & undersea bases on Earth as are the Draco Reptilians. Their operational bases established for years on Mars and Earth's moons have already been cleared out of these beings.

Likewise about 5000 crossbreed aka hybrid Grey / Human life forms programmed since birth will need to be removed from Earth and deprogrammed so that they can e-olve on their own into free thinking free willed beings. And since they are a new sentient life form they will re-locate

to their own new 3rd dimension planet.

Back to the -ar - the primary reason for this w-r was to negate & eliminate the effect of what is believed to be - thousands of years of negative energies

constantly beamed to planet Earth as well as etheric implant technologies utilized by a Draco Reptilian and Grey Orion alliance that has put and kept many Earth humans manipulated controlled and in a continued state of fear anxiety & insecurity and to eliminate for good the more malevolent entities who desired to continue to use manipulate & steal people as a natural resource and drain other precious resources from planet Earth... all the while controlling and 'e-slaving' a large percentage of an unaware and helpless Earth human population."

Tolec concludes The Council felt Earth's people deserved an opportunity a real chance to evolve on their own after thousands of years of manipulation control and unaware enslavement.

Congruent with statements of other Andromedan con-actees The information that Tolec states the Andromeda Council gave him is congruent with other information reportedly independently given to other co-tactees by other extraterrestrial or interdimensional sources naming themselves the Andromeda Council.

One independent Andromedan contact-e source states The Andromedan Council is a group of beings from 139 different star systems that come together and discuss what is going on in the galaxy. It is not a po-itical body. What they have been recently discussing is the tyranny in our future 357 years from now because that affects everybody. [Ed. Note - The 139 star system membership is the definition of the Galactic Council as given by Tolec]

Apparently what they have done through time travel is that they have been able to figure out where the significant shift in energy occurred that causes the tyranny 357 years in our future. They have traced it back to our solar system and they have been able to further track it down to Earth Earth's moon and Mars - those three places.

The very first meeting the Andromedan council had was to decide whether or not to directly intervene with what was going on here. According to Morenae there were only 78 systems that met this first time. Of those 78 just short of half decided that they wanted nothing to do with us at all regardless of the problems. I think it is really important that you know why they wanted nothing to do with us.

We are talking about star systems that are hundreds of millions of light years

away from us. Even some who have never met us. They just knew the vibration of the planet reflected those on it. The reasons why they wanted nothing to do with us is that from their perspective Earth humans don't respect themselves each other or the planet. What possibly can be the value of Earth humans? Fortunately the majority of the council gave the opinion that because Earth has been manipulated for over 5700 years that we deserved an opportunity to prove ourselves to at least have a shot at proving the other part of the council wrong.

They want everything extraterrestrial on the planet in the planet and Earth's

moon out of here. The reason for this is that they want to see how we will act when we are not being manipulated. We are all being manipulated and my first suggestion is to throw your television set away. I can't tell you

how sincere I am about that. They are teaching you what to think not how to think. If you give that up you become a robot. You become sheeple.

Congruent with 1964 U.S. Intelligence estimate on greys and Reptilians The statements of these two independent Andromedan conta-tees regarding damaging effects of an attempted Orion grey and Draco Reptilian occupation of Earth moon and Mars are congruent with U.S. intelligence and whistleblower estimates about grey and reptilian plans (prior to their defeat) for the Earth-moon-Mars.

As this reporter has written earlier In his book Michael Prince reveals that in 1964 U.S. intelligence agencies had concluded that a Grey/Reptilian extraterrestrial alliance had a timetable for a planetary takeover of Earth sometime during the 2000 2030 period.

"He writes 'On April 15th 1964 two US intelligence personnel met under Project Plato with the Greys in the New Mexico desert to arrange a meeting on April 25th at Holloman air force base in New Mexico. This meeting was to renew the treaty that had started in 1934 again and was a psychological bid to buy time in order to solve the problem of the Greys and Draco reptilians. The upper levels of US intelligence now believed the Greys and Dracos had this planet time-tabled for invasion and takeover between the years 2000 and 2030.'"

Washington DC - No false flag ET attack Regarding the possibility of a future

false flag ET attack Tolec indicated "The Andromeda Council (AC) is very aware of the - much higher than average - number of UFO 'sightings' over this relatively small area of land W-shington D.C. known as the seat of our nation's gov-rnment.

"The AC first showed me a grid a network of underground tunnels spreading out from Washin-ton D.C. upward toward the hills... where the remaining greys & reptilians are still roaming around attempting to cause trouble. The greys are currently positioning themselves at strategic underground tunnel locations at various points underneath the city - preparing for a coordinated 'false flag' fake attack event. The AC intelligence people are keenly aware of these activities.

"However the greys & reptilians are 'fighting for their lives' they know the game for control & power is slipping away and is almost 'up'. they know the war is over. they know they have lost. they are 'playing their last hand'.

"Out of the total number of sightings only a small percent are real physical craft. The percentages of holographic vs. real physical UFO craft are as follows:

Total UFO ships over Washington DC = 100%
Grey and reptilian holographic UFO ships = 65%
Cabal/Earth-based UFO ships = 10%
Andromeda Council-based cloud-ships or orbs of Light = 13%
Grey and reptilian physical UFO scout craft = 12%
