Subject: Are About 70 Alien Civilizations On Earth?  
Sept. 3, 2011.

This talks about a man called Michael X. Barton. I once went to one of his lectures in Oakland, Calif. I asked him what the X stood for and he said that it was in respect for Christ.

.....  
.....

In 1994 the famous scientist Richard Hagan came to Maui and brought slides, photos, and video footage of incredible ruins on the Moon and Mars from NSA files. I saw some of these blown up to movie theater screen size and they were mind-boggling.

I held several public UFO seminars and lectures on Maui in 1992 and 1993, and again in 1994, and several people come up after the meetings with their own reports of abductions, contacts, sightings, secret government activities and information, etc.

One man in one of the lecture audiences identified himself as a CIA agent and said I had a lot of accurate information. In 1994 I spoke to a Maui man who said his entire family had been abducted by Greys yet returned safely. Another man at a lecture told of a secret underground military scientific station below Kihei that was connected to laser and star wars systems. He invited me to go inside for a tour, yet I declined being concerned about a possible abduction attempt or confinement.

That same year an elderly woman came to one of my lectures. She told of how the Illuminati was secretly moving their world center to New Zealand (she had a high-ranking relative in the United Nations). She was aware of a lot of secret very dangerous covert governmental operations and UFO activity. She told me a Pleiadian spacecraft had landed late at night somewhere around Malibu, California, and she witnessed a Pleiadian emerge from the craft and communicate with her mother.

In 1993 a Hawaiian activist in the Ohana to preserve and protect Kahoolawe Island, told me that Hawaiians camping out on that desolate island had seen UFOs.

We were informed by government contacts that the Greys have a base around that island does that explain why the Navy refused to let civilians land there since 1942 and now that the Hawaiians have reclaimed the island, its access is still severely restricted? Greys were reportedly seen in Kihei, Maui, by different witnesses in 1992-93.

They entered the room of a friend of mine one night and scared her. There were also some renegade Greys trying to come over to our side of the galactic war who reportedly contacted a UFO meeting in Kihei. One of the strangest reports ever on Maui occurred in 1975, when some surfers said they saw an alien creature emerge from the water near Olowalu, Maui. It was some kind of an aquatic humanoid (these are occasionally reported from around the world). We have no further verification.

One of the most important discoveries in world history was made in 1947, and most people have never heard of it today because it was only in the newspapers for one day! That year two separate military pilots who were flying two separate aircraft on two separate missions, both saw the same incredible scene. Near the South Pole, where ice stretched to the horizon in every direction, the crews witnessed a huge opening in the ice cap where there was a dense green forest, clear lakes, and dirt instead of snow or ice. Ice cliffs thousands of feet high surrounded this warm oasis in the ice cap. One of the pilots, Commander Banger, radioed that the air and water temperatures in the oasis

were in the mid seventies: The research crew Landed a seaplane on one of the warm lakes.

On a separate flight the famous polar explorer Admiral Richard Byrd reported by radio that he had found a huge opening in the Antarctic ice and flown his plane down, and he had found and entered an opening in the ice that led to an

underground city: The news about the warm dry oasis and many square miles of dry land leaked into the news media for one day before the government covered up further details, due to reported documentation that the underground

city is a UFO base and source of sightings. According to Admiral Byrd's diary,

which I have read an excerpt out of, Byrd and his crew were met by human-appearing residents who warned him to deliver a very important message to government leaders and to keep their existence top secret, because they did not want surface people invading with surface diseases, pollution, violence, crime, or conquest motives. The inner city representatives said that they had no diseases, pollution, crime, war, or most other surface vices and kept their civilization intact because it was isolated and secret from the surface races. They reportedly claimed to be descendants from Atlantean and Lemurians from ancient lost civilizations who had predicted the destruction of their civilizations and prepared years in advance by engineering air-conditioned underground cities to survive, and that they had not had a war for over 10,000 years of isolation. They also stated they were down there interacting with Earth-based extraterrestrials. Does not this sound hauntingly similar to what the U.S. government is doing today with its reported 70 or more underground cities built to survive nuclear war, earthquakes, tidal waves, and economic collapse on the surface, so the President, his cabinet, and military, political, industrial, and scientific leaders can survive?

The important message that Byrd was to deliver to the President was to firmly end all nuclear underground testing which they viewed as a threat to their network of ancient underground cities around the world, and their fear that surface nations might blow-up the planet we all shared.

I first heard about these reports in the early 1970s from Major Aho from Washington Security Intelligence, who was a former Army intelligence officer. Major Aho told me about this race reportedly called the Teros, and startled us

by showing a clear NASA space program satellite photograph of a huge circular opening in the ice cap near the South Pole, that was taken by satellite ESSA--?.

When researchers asked NASA to comment their reply was simply "no comment." They obviously could not explain off such glaring evidence- Scientists shown this photo were puzzled and alarmed. I also read about this discovery in a booklet from Michael X. Barton who wrote Venusian Secret Science and did reported research on this topic. I was also told about this discovery by several former agents of Army and Navy intelligence agencies in separate conversations.

Similar prehistoric ancient underground cities reportedly exist below Maui, Mount Shasta, the Himalayas, the Andes, Brazil, and some other areas. A separate huge planetary capital underground city, built by negative aliens from Orion, reportedly exists below Iraq where behind scenes Middle East conflicts begin.

The underground city below Antarctica is said to be ultra modern with monorails, domes, spaceports, crystal buildings, electromagnetic land vehicles, conveyor belts, and a computerized automated society of robots. Surrounding the city are rich farmlands of giant fruits and vegetables, exotic animals, birds, and trees.

An ancient map of the world seen on TV documentaries, the Piri-Reis map, shows Antarctica with NO ICE and what may be the continent of Atlantis in the Atlantic Ocean. This very old map, said to have been copied from much older maps even then, shows mountain ranges near the South pole that were covered by ice and not even re-discovered until 1958!

Did the Atlantean and Lemurians build this city when there was no ice at the South Pole before the planet tilted on its axis? Are there, as Barton claims, races of pure Atlantean and Lemurians living inside our planet with extraterrestrials?

And according to reports from UFO contactees and military files, most of the planets and some of the moons in our solar system are inhabited by underground cities and bases protecting aliens from harsh atmospheres. Even Pluto, Mercury, and Titan have these civilizations.

If the U.S. government can build a huge underground survival city inside Mount Weather, West Virginia, in the 1960s, as exposed in the national news media, why couldn't ancient alien colonies do the same? These cities are

supposed to be connected to each other by a network of underground tunnels with subways in them. However, different conflicting ra-es have separate networks.

The Sirians and Lyrans allegedly have bases below Egypt, the Centaurians in the Maldiva Islands, the Korendians in Massachusetts, the Koldasians in South Africa, the Zetas in New Mexico and Nevada, the Venusians in Brazil and Nevada and Tibet, the Orions in Iraq, etc. many researchers who went to the Himalayas wrote that the Llamas told of a huge underground city called Agartha where wise spi-itual masters live, and another agarthi. These ra-es reportedly isolated them from surface humanity to e-olve spir-tually with no outside interference. They se-retly pass on spir-tual advice and enlightenment to those "who are ready" on the surface.
