Subject: More From G-sbolt.  
Sept. 6, 2011.

Many of the places that are mentioned in these reports I have been to or near. As a child spent many summers on my grand dad's ranch in Datil, New Mexico. As a young electronic technician I live in Lancaster, Calif. and worked at Edwards Rocket Base. Many of the other places I have been to or investigated.

Level six is privately called nightmare hall amongst workers. They tell of bizarre experimentation and multi-legged humans that look half human and half octopus, reptilian humanoids, furry creatures with hands like humans that cry like a baby, and mimic human words. Also a huge mixture of lizard humans in cages, several cages of winged humans, three and a half to seven feet tall bat like creatures and gargoyle like beings. In level seven are thousands of rows of human and human genetic mixtures in cold storage, humanoid embryo storage vats with embryos in various stages of development. Other workers said they witnessed scenes even more terrifying than this and refused to talk about them. One worker told Bill H-milton I frequently encountered humans in cages, usually dazed or drugged, but sometimes they cried and begged for help. We were told they were insane and involved in high-risk d-ug tests to c-re insanity. We were told never to speak to them at all. At the beginning we believed the story. Finally in 1978 a small group of workers discovered the truth.

Thomas C-stello was one of the s-curity workers at the Dulce facility. Thomas worked seven years for the R-nd Corporation in California. He was transferred to Dulce in 1977. He estimated there were more than 18000 short greys at Dulce and also saw tall reptilians.

Thomas knew of seven levels but said there could have been more. He said the aliens were on levels five, six and seven. The lower you go the higher the security clearance is needed. The only sign in English is above the tube shuttle system and says To Los Alamos. The tube shuttle travels at mach 2.7. Most signs at the Dulce facility are in the alien symbol language and a universal system understood by humans and ET's. Thomas said the other shuttle connections from Dulce went to Page Arizona, Area 51 Nevada, Taos Carlsbad, Datil New Mexico, Colorado Springs and Creede Colorado. Thomas also said there is a vast number of tube shuttle connections under the U-ited States which extend into a global system of tunnels to other underground bases in other countries.

Thomas Ca-tello said that below the second level of the Dulce facility everyone is weighed n-ked and given a uniform. Any change in weight is noted and if there is a change in weight of three pounds or more the people are x-rayed. At the entrance to all sensitive areas are scales and the persons weight must match with their ID card and code to gain entry.

Thomas Cas-ello smuggled many things out of the Dulce facility before he escaped which included twenty seven sheets of 8x10 photos of alien and genetic creatures in vats. One silent surveillance camera video tape, which begins with showing computer banks then vats, multi shots of nightmare hall, two shots of greys, one shot of the terminal sign saying To Los Alamos and thirty seconds of the shuttle train arriving. Twenty five pages of diagrams, chemical formulas, schematics and alien equipment.

- \* A copy of the new government/alien treaty with signatures.
- \* Two pages of original documents signed by Ronald R-agan (then go-ernor of California). Each page has Ronald Re-gan's signature plus other p-litical signatures and four alien signatures.
- \* Thomas Cast-llo's flash gun (a laser type weapon used by the se-urity officers at Dulce).

\* Thomas put the original set of these items in a sealed, one piece oxygen free heavy plastic box. Five sets of copies are in five different boxes in

five different locations guarded by five different individuals known only to Thomas Caste-lo.

I understand these individuals would be scared to leak this proof as Thomas Castel-o's wife and child were kidnapped and then disappeared in Puerto Rico not long after this (now presumed d-ad). But if any of you are reading this then please contact me anonymously and we can arrange for you to send me a copy. I will be able to get it out on a large scale. My e-mail address will be at the end of this article.

This is part of an interview with Thomas Castell- before he disappeared-

I am saying there are aliens in several underground bases in this country and terrible things happen in those places. If I d-e before it is proven search for proof. Demand that the gov-rnment admit it. If enough people demand it they will find a way to explain the base or at least explain why they must keep it sec-et. There are many people that work at Dulce that know me. I am challenging those co-workers to speak up anonymously. Send a letter to confirm what I have explained. In the name of the brave men, women, children and aliens that d-ed trying to let the public know what is going on at the Dulce facility. Expose that horrid place before thousands more innocent people are tortured and di- unspeakable deaths.

The Ra-d corporation which is involved in the construction of these underground bases has released The Ro-er report. This is now a third generation report that says according to their research one in ten people have been abducted and implanted by the Greys and reptilians and returned with their memories erased. This report has been sent out to one hundred and ten thousand clinical psychiatrists in the US.

The Ro-er report also states that women are being r-ped by reptilian ET's as part of a ongoing genetic program by them. As fantastic as this sounds it is backed up by some of the world's top MD's like John M-ck and many others. There are some ninety concerned psychiatric scientists in the US who are trying to form an organization to prevent secr-cy on this horrendous situation.

They say that because of the alien/gov-rnment treaties this amounts to gov-rnment sponsored ra-e. According to the Rop-r report 99.3% of the abductees being used in this ongoing genetic ET program are female and 0.7% are male.

I have personally seen intelli-ence documents of studies into the Grey and Reptilian problem that show they are involved in genetic sabo-age of the human r-ce. The Grey and Reptilian alien agenda is to slowly and covertly take over the planet in the next thirty years, reduce the population and run the planet from underground using the surface population as food to be taken when and how they wish. The British, Russian and US gove-nment is shooting down around one Grey and Reptilian craft a month with particle beam weapons developed from Tesla technology.

The Russians have areas the size of football fields full of crashed ET craft. If that is not a full-scale i-vasion I don't know what is.

The British, Russian and US govern-ent have become blo-d brothers and the best of friends because of the alien agenda. The Russian and US cold w-r was feigned animosity and a sham so these governme-ts could develop nucl-ar wea-on programs to counter the alien threat.

The cold wa- was a l-e for the public to take the attention away from what the nu-lear wea-ons program was really being developed for, not against Russia but as a last resort against the Greys and Reptilians.

The headquarters of the s-cret int-rnational gove-ning body in charge of dealing with the ET phenomenon is in G-neva, Switzerland. The ruling body is made up of representatives of the go-ernments involved as well as the executive members of the group known as the B-lderburgers. As I have said the British, American and Russian go-ernments are working very closely together because of the Grey/Reptilian threat to the planet. Although the situation is so horrendous that these gove-nments have shattered into panicked factions, some of which have sold out and are directly helping the Greys and Reptilians.

According to very credible US go-ernment insider William C-oper the most important meetings of this sec-et int-rnational gov-rning body are held by the policy committee on a n-clear submarine beneath the polar ice caps.

The se-crecy is such that this is the only method to make certain the meetings cannot be bugged and is the only place they will discuss their biggest s-crets.

It would be wrong and cruel of me to present his information without presenting the full picture. The Greys and reptilians from Orion have been involved in an ancient -ar with the Benevolent Pleiadians and other groups. The Pleiadians are a very powerful group and are the guardians of this solar system. I personally do not believe they will let the grey/reptilian agenida fully unfold. They have helped us in the past, are helping us now and will help us in the future.

I know this because I have had many Para-normal ET cont-ct experiences since childhood. There is not room to go into detail here but is covered in the Above top se-ret presentation with investigative journalist Dave S-arbuck. Type reve-ation audio visual-Dave star buck into a search engine to find.
