I have very clear photographic evidence of benevolent Pleiadian ET's materialising in my house and a box of c-annelled communications with these beings. These photographs will stand up to a computer grain analysis test because they are all one hundred percent real. I also do not have the knowledge or technology to fake them. One photo shows a very clear face materialising in front of me. I also have post traumatic stress disorder from abductions and other c-ntacts with malevolent reptilian entities. Again these are covered in Above top s-cret.

There is a massive number of missing children in Britain, A-erica and other places connected to these underground bases. The figure in Britain seems to be at least twenty thousand children dissappear without a trace every year. In a 1995 classified C-A, D-A (defence -ntelligence agency) and F-I report, it stated that one hundred thousand children and one million adults disappear and are never found in the US every year.

You may ask yourself how is this being covered up. As was mentioned at the beginning of the article, the same group working with the greys and reptilians which is M-6, CI- and the M-EC, own and control the mainstream media.

In 2001 Scotland Yard p-lice revealed that it had been unable to find three hundred b-ack boys aged between four to seven that disappeared from London in a three-month period. The three hundred boys were reported missing between July and September in 2001.

Journalist Yinka S-nmonu an expert in missing children told the B-C's Today program Children are here one day and gone the next.

In 1989 in Westchester, New York which was the site of numerous UFO overflights and reports of human abductions at that time. Over three thousand missing children reports surfaced. After extensive investigation by local po-ice departments the children were not found at red light districts or centers for run a ways. Researchers and law enforcement officials were baffled.

There is also the -IA finders case. This involved negative factions of the CI- directly involved in child kidnapping. This was revealed in a 1987 US customs report. Customs and pol-ce raided a Washington DC warehouse which was used by the -IA. There they found a set of instructions broadcast via a computer network which advised the C-A to move a huge amount of kidnapped children that were originally being held at the warehouse (customs and p-lice found large amount of nappies and other things there) and to keep them moving across jurisdictions. There were instructions on impregnation of female teenagers and also instructions on how to avoid pol-ce detection. The destination for the children in the instructions was New Mexico.

The Albuquerque journal ran an article entitled Why New Mexico has so many more missing children than comparable states remains a mystery.

Much of this activity is centerd around New Mexico where the Dulce underground facility is.

One male survivor of the M-6/C-A mind control project Monarch described in The i-luminati formula by Fritz S-ringmeir, the china lake n-val base at Ridgecrest in the California desert. This anonymous man says batches of children numbering one, two and three thousand were kept in cages piled up to the ceiling of large hangers. He says these cages are called woodpecker grids. These are electrified and the children were tortured

with electric shocks.

Children are today still being transported to China Lake Naval base by train, car and air. One of the main delivery routes for children into China Lake is by plane from the Santa Rosa airstrip near Bhemian grove. The Santa Rosa airstrip is supposed to be closed, yet planes take off from there every night and do not put their lights on until they are hundreds of feet in the air.

The Nazi geneticist and mind control scientist Joseph Mengele The agent of death from the Auschwitz concentration camp was brought to America after the war by MI- and the OSS- (which became the CIA) in project paperclip. Many other leading Nazi mind control experts, rocket scientists and geneticists were also brought to America and Britain after the war.

Joseph Mengele stayed at the China Lake base and the Tavistock institute in London.

China Lake Naval base is in the same as Lancaster, California. It was in Lancaster the mass graves of mutilated children were discovered.

By the sheer amount of evidence the only conclusion I can come to is that certain sections of the US and British government have sold us and our children out to malevolent ET's in backdoor treaties. The situation is truly grim. Come on people, time to wake up! The new world order and UN one world government is this rigid control structure to clamp the people of the world into a totalitarian vice so they won't have to tell us about the aliens.

I also believe that certain sections of the intelligence community and the US and British government are directly helping the Greys and Reptilians with their takeover agenda. Evidence seems to point to the ET's promising these humans certain powers when this happens. The name of the powerful secretive group The Tri lateral commission is taken from the Orion Grey/Reptilian flag known as the Tri lateral insignia. This shows how much trouble the Human race is in.

There is now an apathy amongst the people towards world events that is deadly and contagious. This is especially true of the people of Britain. We have truly become a nation of sheep.

I challenge you to shake off that apathy and challenge your government to tell you the truth. Please send letters copies of this article to your local government officials and distribute it amongst your friends and family. This information desperately needs to get out on a large scale as possible but I cannot do this on my own, I need your help.

There is a huge amount of pressure on the governments to go public on the ET scenario, but there is also a huge amount of pressure on them not to go public as well. We need to demand our government officials tell us the truth about the ET scenario and if they do not we must impeach them.

If there are any government officials or intelligence personnel who still have a conscience and would like to provide me with information on any of the areas covered in this article or information on any other areas, please contact me at the e-mail addresses below. I will also be willing to meet you face to face.

Also if anyone else has any information, feedback or comments it would be greatly appreciated. Please feel to e-mail me. I am sorry if I did not reply to everyone's e-mails after my last article as many of my e-mails were and are being blocked. It's probably best to send e-mails to both of my e-mail addresses from now on to make sure they get to me. I did receive over three hundred e-mails though so thank you for the support. If we all work together we can overcome this danger.

In truth and light
