W-ITE BROTHERHOOD

Ancient Mysteries

The _Great Wh-te Brotherhood_

is a S-iritual Organization composed of those Ascended Ma-ters who have Arisen from our Earth into Immortality, and yet have said: "We are not going on into Cosmic Heights and leaving our brothers and sisters on Earth behind. We will stay and assist."

At this moment in Cosmic History, the Door is wide open. The Great Wh-te Brotherhood has been sponsoring the Release of the Spoken Word through conclaves, seminars, writings, books, and through personal discipleship and training. They are releasing the full Teachings that the Dispensations of Cosmic Law allow at the dawning of the Great Golden A-e of Saint Germain.

The Great Whi-e Brotherhood is a Sp-iritual Order of Hierarchy, an organization of Ascended Mast-rs united for the highest purposes of G-d in man as set forth by Je--s the C-rist, Gautama Buddha, and other World Teachers.

The Great Whit- Brotherhood also includes Members of the Heavenly Host, the Spi-itual Hierarchy directly concerned with the e-olution of our world, Beneficent Members from other planets that are interested in our welfare, as well as certain unascended chelas. The word "whit-" refers not to r-ce, but to the aura (halo) of the Wh-te Light of the Ch-ist that surrounds the saints and sages of all ages who have risen from every nation to be counted among the Immortals. The Great -hite Brotherhood is a Spi-itual Order from every culture and ra-e - Western sa-nts, Eastern adepts, and so on - who have reunited with the Sp-rit of the Living -od and who comprise the Hea-enly Hosts. They have transcended the cycles of karma and rebirth and Ascended (accelerated) into that Higher Reality which is the eternal abode of the s-ul. The Ascended Ma-ters of the Great Wh-te Brotherhood, united for the highest purposes of the brotherhood of man under the Fatherhood of Go-, have risen in every ag- from every culture and re-igion to inspire creative achievement in education, the arts and sciences, G-d-gov-rnment and the abundant Life through the economies of the nations.
