2011.

Oct. 29,

This talks more about Max The Crystal Skull.

.....  
.....

**\*\*The coding of the Crysto-Sun Disc and the Crystal Vortex on the 11-11-11. MAX the 13th paradigm, the original extra terrestrial Crystal Library is called to Arkansas to code the frequencies for the Crystal Transition. This occurs on the 11-11-11 and the 12-12-12. MAX is the source of the codes.**

**\*\*The Crystalline Grid, which completes on the 12-12-12**

**\*\*The Unification of the 12-Primary Sun Disc, which represent the new DNA or blueprint codes for the new Earth frequency.**

**\*\*The Global Unification of the Crystalline Vortexial Fields, the primary two of which are located in Arkansas and Brazil.**

**\*\*The finalization of the Pyramidal -Octahedronal network which involves the 'Crystalline-Cosmic' transfer through the pyramidal network & power-nodes infrastructure on the planet Earth with that of the Planetary Grid & Cosmic Grid in connection to Orion and Arcturus.**

It is the completion of the above final adjustments that are required in 2011 & 2012 to finish the heralded Ascension. In many ways the Ascension has been ongoing since 1987, but it is the Grid, Sun Disc, Crystalline Vortexes and Pyramidal Network that remain to be tweaked and finalized.

Many of you are in fact code-carriers, crystalline engineers and quantum mechanics that are here to assist in the completion. Some of you are envoys sent 'back from the future'. Others are members of the Sirian-Pleiadian Alliance' to assist in revamping the power structures, Portal-Vortexial center's and Ley Line up-shifts. This applies especially to those of you termed 'Earth-Keepers'.

It is why you are compelled to align energies at the mega centers, Arkansas Crystal Vortex and Disc locales. It is a job you intuitively are drawn to complete, and one you know very well. Many of you have counterparts among the Pleiadian and Sirian ships designated to assist in this completion.

Power Dates & Activation Phases of 2012

There are certain key frequencies occurring on specific dates in 2012. The equinoxes, solstices, and eclipses are extremely powerful, each presenting final codings to the Ascension.

That which is termed the 12th Wave of the Ascension begins in late January and continues through the 12-12-12.

Key dates of 2012 are as follows:

January 25 - Initiation of the 12th Wave of the Ascension.

Feb 3 - Neptune in Pisces- Great Inner Vision is enhanced within the 12th Wave.

Feb 8 - Chiron in Pisces - A great opportunity for individual release and global h-aling

March 20 - Equinox - The 4th and final wave of the Cosmic Trigger, downloading and initializing the Crystalline Codes.

May 20- Solar Eclipse - Humanity macro integration - D-vine Masculine balance.

June 4 - Lunar Eclipse- Humanity micro integration- Di-ine

Feminine Balance.

June 6 - Venus Transit - Integration with the Sirian and Pleiadian Alliance, the full return of the Golden Dolphin energies, the initial integration of Div-ne Feminine to Divi-e Masculine.

June 20 - Summer Solstice - Extremely powerful, completing a quadric of dates with the Solar eclipse of May 20th and Lunar Eclipse of June 4th and Venus Transit of June 6..This will be an extremely intense energy that incorporates a final inflow of energetic codes and allows for obstructing releases.

September 22 - Autumn Equinox - Initial networking formation of all 12 Primary Sun Disc into Crystalline format.

November 13 - Total Solar Eclipse - Activation of the 144 Satellite Sun Disc to the 12 Primary Disc. Final Grid Integration of the Divin- Masculine in balance.

November 28 - Lunar Eclipse - Penumbral - Final Grid completion and integration of the -ivine Feminine.

12 December - (12-12-12) Triple date portal. The final culmination and completion of the Crystal-Grid. Activation of the final Atlantean Temple Crystals into the new code, and unification with the Pyramidal structures and Sun Discs. Combination of balance of masculine and feminine energies into D-vine Oneness. MAX final coding in the Crystal Vortex.

December 21 - Winter Solstice - Rebooting of the Ascension Grid and networking of the Crystalline Quantum-Field. Expansion into greater access to 12 dimensions. The 'Finger of G-d' formation of Saturn, Jupiter and Pluto.

The Reboot of 12-12-12

On the 12-12-12 all of the systems become fully coded. Activation of the Fire Crystal of Bimini. Correlated into the Crystal Vortex and Crysto Sun Disc of Arkansas. Then a brief rebooting occurs and all will reactivate in full functionality all Crystalline Field Systems on the 12-21-12, December 21, 2012.

The Economy

Many see the roller coaster of economics continuing to surge & fall into areas of great fear and concern. Some have predicted a total collapse. Dear Ones, while the economic system must and will change, a total collapse into global chaos would not serve the New Earth. A total breakdown will not occur, will not be allowed to occur. The change into the new system will take place, but will take many decades. It will be a gradual process.

The American Presidential Election in 2012

Now, before we end this essay. We will speak briefly about the election occurring in November of 2012 in the U-ited States. We will not predict a winner, but we will tell you that it is an extremely important time. We will say that Pr-sident O-ama is a s-ul of the greater light, and offers a better road for the Uni-ed States. The election will be difficult for him, but the better probability lies in his re-election. But it is not a certainty, many factors are at play. The future is ever a moving target, and in this scenario it is not our role to foresee the outcome, for this outcome remains a choice, and is not yet determined. We will say that Ob-ma is a man that is more concerned with the care of all of the citizens. Yet the Uni-ed States is still many decades away from having a true representation in its gov-rnment.

Closing

We tell you that 2012 is a heralded time. It is the linear completion of the Planetary Ascension. The Planetary Ascension provides the new Earth within an expanded Template and fully functional 144 Crystalline Grid. These are the energies that will allow for the mass harmonic conversion of humanity to reach Ascension. But we tell you the changes will be gradual within mankind in terms of linear time movement.

Most of humanity will look around on December 22nd and say, "Nothing

has happened, what was the big deal?" But the enlightened among you will know that something magnificent has occurred, and that the true beginning of the Ascension has indeed dawned.

I am Metatron, and I share with you these Truths. You are B-loved.

...And so it is...and it is so.

AAMetatron on MAX

...And the Enigmatic Crystal Skulls

"Max is CRYSTALLUS MAXIMUS; indeed the 'original' 13th Crystal Paradigm, in your terms. MAX is the 13th, the unified field of the 1 forming the 13. The 13 of the 13-20-33. He is of Pleiadian & Arcturian construct and origin. MAX is a vast consciousness, akin to a super computer, with a considerable library of data contained therein. He is the most powerful, exponentially most conscious of all of the Crystal Skulls. . He is one of two presently on the planet originating from extra terrestrial source. MAX is not of the Earth, but contains the codes for the Omni-Earth Ascension. MAX is the source that feeds the energy into the other crystal skulls."

Ar-hangel Metatron

"MAX, MAXIMUS CRYSTALLUS, is the source of energy received by all other crystal skulls." Metatron

A Relative Measurement of Field

- 1) MAX - Extra- Terrestrial Origin - Field Infinite - Timeless - Classification 1
- 2) Sha-Na-Ra - Extra-Terrestrial Origin - Ancient - 12th Paradigm - C-2
- 3) Mitchell - Hedges - African Quartz Origin - Modern - 11th Paradigm C-3

In 1996, Max was carefully studied & intricately researched by the British Museum and tested for evidence of 'modern carving' technique and carbon tool residue. None was found.

All other 'ancient' skulls tested have revealed tell-tale marks of carbide residue and modern 'earthen' equipment tracking, including the Mitchell-Hedges. The Mitchell Hedges Skull as well as famous skulls others absolutely tested undeniable micro tracks of modern carving. (Being modern cut, however, does not diminish the ability of a crystalline skull to download the paradigm. And it can be pointed out that skulls created in Atlantean times, would indeed have had highly sophisticated equipment...including manifestation from pure thought. So whether Mitchell -Hedges was fashioned in Germany in the 19th century, as the Smithsonian surmise, or not, does not reduce its incredible importance and energy.)

However, MAX is one skull tested that passed ALL the rigors. MAX not only shows no evidence of modern carving, he shows no evidence of carving at all. Under microscopic examination, MAX appears to have formed naturally...and that is an enigma or more accurately stated...tell-tale of manifestation!
