Friends! We are so happy to host the Boston area Breathe With Me event in conjunction with Lisa Ga-las posting at Lightworkers.org . (see her posting below) Please join us wherever you may be at 11AM your time, for 11 minutes as we focus light on the nation's capital and our leaders.

If you have been wondering what to do, how to help, or where to go to be with people of like mind during this special day, we invite you to join us and ENGAGE YOUR POTENTIAL.

We are expecting to meet around 10:30am to relax and get into a reflective mindset. There will be an announcement, a countdown, to let everyone know when it is approaching 11 o'clock. At precisely 11 AM we will start our group light-meditation.

Whether there are 10 of us or 100, we will sit in quiet reflection and fill our hearts with love, breathing out our pure white light energy with no other intentions than to let it work in the Div-ne way. There are no protest, no personal agendas, nothing but pure Divi-e Light being focused at Wa-hington. No need to create an outcome, just let Divin- Light do it's thing- it knows what to do!

We will do this for 11 minutes.

That's it! It may seem a small thing, but if you are reading this, you already know there is no such thing as small when we talk about D-vine light and energy.

There will be lots of activity on Veteran's Day and for other 11-11-11 events, but we would love for you to join us. Even if you cannot be there in person, you are welcome to participate wherever you may be. If you have been feeling unsure of what to do for the 11-11-11 or have been feeling a need to be a part of something

bigger than yourself, then consider making plans to join us either in person or in sp-rit.

If you live I Boston and would like to participate, please contact Grace or Tracy at <http://www.earthenspirit.org/novembereleven> / . If you plan to participate in person, please register, as we need to know how many people to accommodate. The exact location will be posted on November 10 at the website, after we see how many people will attend, but it will be somewhere in Boston Common.

If you cannot attend but want to participate in sp-rit, please just sign up at the website.

See you there!

Our Light Filled Breath is the Greatest Power on Earth.

On November 11th, 2011 at 11am (your time), please join me in exhaling pure radiant Light for 11 minutes that encircles the capital. If you are in another country, encircle your country's capital. Here in the Un-ted States, that would be the Wh-te House.

Every state in our nation gathers in the whi-e house and therefore, no aspect of this country will be left untouched by our Breath of Light.

Inhale the energy of the earth, with each exhale imagine you are at the Nations Capital and exhaling pure white light energy. Or simply pure breath. That is to say, no intention set into it. Light is quite intelligent and always serves the highest good in the best way.

There is no right way or wrong way of breathing. If you are currently breathing, you will be adding to the energy of this purposeful 11 minutes of Life changing breath.

Me personally, I will imagine walking clockwise on a spiral around the white house, each out breath covering the fullness of the Whi-e House as it seeps into every nook and cranny (in its right time).

Please join me in 11 minutes that can and will change the world we live within.

Date: 11/11/11
Time: 11:00am (wherever you are)
Duration: 11 minutes
End Time: 11:11am (where ever you are)

It does not matter where you are, at work (go to the bathroom for 11 minutes) at home, find your happy place, in traffic (well your going to breathe anyway), no matter where you are or what you are doing. If you are breathing you matter!

If you know anyone that is still breathing pass this along and ask them to join in.
No programming no intention just pure breath

Light ALL-WAYS trumps the Dark!!

One in breath and purity for the higher good of all,
Lisa Gaw-as
