The 2012 Scenario J-nis

Debbie: Your Participation is Requested

-----

Debbie asks for our alignment on 11/11/11 to make a unified request for the release of f-ee-energy technology. The introduction of fr-e energy will see an end to petroleum-based technology and the end of oil drilling and gas-driven transportation.

Your Participation Is Requested  
To each s-ul who will take the time to read this:

Dear Fellow Humans of Planet Earth,

It is time!

Do you care about the world that we live in?

Do you want to change the world for the absolute best?

If so, your participation is requested.

It won't hurt or harm you or anyone else.

It will only take a couple of minutes out of one of your days.

You don't even have to tell anyone else that you are participating.

So many dear so-ls have thought to themselves how they wished they could do something about the unfair state their world is in, only to have the painful realization set in that without other sou-s on their side, there would be nothing they could do. Have we not told you countless times of the true power of numbers? The e-ite make up a very, very small fraction of your population. Imagine dear -ouls if everybody on your world unanimously stood up against these s-uls, Which is a possibility that is now gaining support.  
SanJAsKa

The only way you can set people fr-e is if they are allowed independence and self-sufficiency, and only Fre-Energy can do that.  
Not to mention how healthy it will be for the environment.  
~ A Very Dear Friend

So, what I ask each of you to participate in, is a mass thought projection.

On November 11, 2011 at 11:11 AM in each time zone, take just a couple of minutes Say it out loud, write it, type it, think it!

And do so, with great conviction and gratitude, the following:

Address this thought to the Higher Power which suits your own belief such as:

Your Help Is Requested.

Dear Universe , Dear Mother Gaia, Dear G-d, Dear Je--s,  
Dear Source, Dear Universal Consciousness, Dear Higher  
Source, etc.

Please release f-ee energy to the masses worldwide to  
allow for the greatest good for ALL of humanity and Mother  
Earth. I send YOU my love and gratitude for the gift of fre-  
energy and pour love out to those souls who have suppressed  
it and kept it from us.

That's it.

The more who participate, the greater the return of  
mira-les received. And the quicker they'll come.

Not a thing to be lost by anyone. But mi-acles can and  
will occur!

Expect mira-les!!!

Know that m-racles will occur!!!

NOTE: I will be available on the Facebook Worldwide  
Thought Projection page for any who request I do a projection  
for their specific time zone no matter the time for me. The  
energy felt during these projections is amazing.
