Subject: Will Rogers Said.

Nov. 12, 2011.

Here are something that some people say Will Rogers said.

Subject: Will Rogers ... ?

This wisdom should be shared.

"Never squat while wearing your spurs"

Will Rogers, who died in a 1935 plane crash, was one of the greatest political sages this country has ever known.

Enjoy the following:

1. Never slap a man who's chewing tobacco.
 2. Never kick a cow chip on a hot day.
 3. There are two theories to arguing with a woman. Neither works.
 4. Never miss a good chance to shut up.
 5. Always drink upstream from the herd.
 6. If you find yourself in a hole, stop digging.
 7. The quickest way to double your money is to fold it and put it back into your pocket.
 8. There are three kinds of men: The ones that learn by reading. The few who learn by observation. The rest of them have to p-- on the electric fence and find out for themselves.
 9. Good judgment comes from experience, and a lot of that comes from bad judgment.
 10. If you're riding' ahead of the herd, take a look back every now and then to make sure it's still there.
 11. Letting the cat out of the bag is a whole lot easier than putting it back.
 12. After eating an entire bull, a mountain lion felt so good he started roaring.
- He kept it up until a hunter came along and shot him. The moral: When you're full of bull, keep your mouth shut.

ABOUT GROWING OLDER...

First ~ Eventually you will reach a point when you stop lying about your age and start bragging about it.

Second ~ The older we get, the fewer things seem worth waiting in line for.

Third ~ Some people try to turn back their odometers. Not me; I want people to know 'why' I look this way. I've traveled a long way, and some of the roads weren't paved.

Fourth ~ When you are dissatisfied and would like to go back to youth, think of Algebra.

Fifth ~ You know you are getting old when everything either dries up or leaks.

Sixth ~ I don't know how I got over the hill without getting to the

top.

Seventh ~ One of the many things no one tells you about aging is that it's such a nice change from being young.

Eighth ~ One must wait until evening to see how splendid the day has been.

Ninth ~ Being young is beautiful, but being old is comfortable.

Tenth ~ Long ago, when men c-rsed and beat the ground with sticks, it was called w-tchcraft. Today it's called golf.

And, finally ~ If you don't learn to laugh at trouble, you won't have anything to laugh at when you're old.
