Subject: Nimrod. Part 3 of 3.

Nov. 14, 2011.

This tells what names are connected to the story of Nimrod.

.....
.....

One of her names was Astarte, or Ishtar (Easter), which simply means, "woman". And her devotees would bake cakes to her, with the "+" symbol (the "+" representing the "T" for Tammuz, her child) stamped on the cakes (cross buns). "Queen of heaven" became a popular title for her.

In Egypt she was also styled Hathor, in her role as the one in whom dwelt all the fullness of the G-dhead.

To point out this great go-dess-mother, in a pantheistic sense, as at once the Infinite and Almighty one, and the Vi-gin mother, this inscription was engraven upon one of her temples in Egypt: "I am all that has been, or that is, or that shall be. No mortal has removed my veil. The fruit which I have brought forth is the Sun. (Bunsen=92s Egypt. Vol. 1. London, 1848, pp.386,387)

NIMROD UNDER DIFFERENT NAMES,
ACCORDING TO LANGUAGE DIFFERENCES

As the tribes were forcibly scattered from the Mesopotamian region, they carried to the ends of the earth this belief system of Nimrod. Each group wor-hipped the same fake 'messiah' child in his mother's arms, under different names, depending on the language.

So, in different countries, the Nimrod saga was adapted under the names of Baal, Bacchus, Saturn, *Osiris, Adonis, Tammuz, Horus, *Krishna, and so on - a whole string of synthetic messiahs. (Alexander Hislop, The Two Babylons.)

It was developed into a promiscuous and sadistic system that appealed to the basest of human instincts. That was a se-ret of its success.

Like a virus, it took over the world - and survives in the various pa-an-rel-gions to this day.

There you have it, the origin of those p-gan "messiah-g-d" myths. They resulted from the hijacking of a well-known prophecy.

NIMROD AS "THE HIDDEN ONE"

Meanwhile, just get your mind around the subtlety of these myths that grew around the historical character Nimrod.

In Egypt, one of Nimrod's titles was Osiris. *Osiris was mystically concealed by being represented under the form of a young bull, or calf, Apis.

Why? Because apis means "to cover", "conceal". The Apis bulls represented "the hidden one".

And why "The hidden one? This simply refers to Nimrod's entry of one being wors-pped under the cover or concealment of a bull symbol.

A bull was one of the wild beasts that Nimrod the hunter had subdued. And, as we noted, the wo-hip of the outlawed Nimrod was "hidden" from all except those who were initiated into the Mysteries.

NIMROD THE HEROIC SERPENT CRUSHER

Secondly, in life the king of Babel, Nimrod, had been a hero. With his hunting bands, he had delivered the stragglng populations from the fear of wild beasts.

After Nimrod's violent death, his widow Semramus spread the word that Nimrod had been the promised Deliverer. And that her newborn child Tammuz was Nimrod returning as the promised Deliverer.

Honestly, John, lately, so many emails have come in asking about these multiple messiah gods of Mexico, Egypt, Greece, India and everywhere else, that I just HAD TO pull together all the crucial data.

If I can get some people thinking, it will be worth it.

The questions are numerous:

- * Were there at least 16 avatars/saviors/messiahs before *Jesus Christ for example, *Krishna, Mithra, *Osiris, *Thoth, Prometheus, *Buddha, *Quetzalcoatl?
- * Was Jesus just a fairy tale copied from pag- chr-ts?
- * Why are the stories and teachings of Jesus Christ Krishna and Buddha so remarkably similar?
- * Why do their mythologies have uncanny parallels for example, virgin birth, a December 25 birthday, saviors of royal descent, a violent death, a resurrection, ascensions, and so on?
- * Is Christianity recycled pag-ism?
- * Is the Bible so unreliable, you cannot trust what it tells you?
- * Has it been tampered with?
- * Are churches covering up the truth?

I had better alert you now, that someone is playing us for suckers. I think you and I deserve an explanation.

We shall also find ourselves confronting issues such as these:

- * Are there endless cycles of destruction and re-incarnation?
- * Is Satan (Lu-fer) the real go-?
- * Is 2012 the year of doom for this planet?

Here's where to go for stickier questions and more explosive information.

Meanwhile, I wish you and yours a great week ahead.

Until next time,
Jonathan G-ay
