Known Types of Aliens and R-ces

AGHARIANS - (or Aghartians)

A group of Asiatic or Nordic humans who, sources claim, discovered a vast system of caverns below the region of the Gobi desert and surrounding areas thousands of years ago, and have since established a thriving kingdom within, one which has been interacting with other-planetary systems up until current times.

ALPHA-DRACONIANS

Reptilian beings who are said to have established colonies in Alpha Draconis. Like all reptilians, these claim to have originated on Terra thousands of years ago, a fact that they use to 'justify' their attempt to re-take the earth for their own. They are apparently a major part of a planned 'i-vasion' which is eventually turning from covert infiltration mode to overt in-asion mode as the "window of opportunity" (the time span before International human society becomes an interplanetary and interstellar power) slowly begins to close. They are attempting to keep the "window" open by suppressing advanced technology from the masses, which would lead to eventual Terran colonization of other planets by Earth and an eventual solution to the population, pollution, food and other environmental problems.

Being that Terrans have an inbred "warrior" instinct the Draconians DO NOT want them/us to attain interstellar capabilities and therefore become a threat to their imperialistic agendas. Refer to Els

ALTAIRIANS Alleged Reptilian inhabitants of the Altair stellar system in the constellation Aquila, in collaboration with a smaller Nordic human element and a collaborative Grey and Terran military presence.

Headquarters of a collective known as the "Corporate", which maintains ties with the Ashtar and Draconian collectives (Draconian).

AMPHIBIANS

Similar to the Saurians or Reptiloids, yet being hominoid creatures with reptilian AS WELL AS amphibian-like features and are semi-aquatic in nature. May have once lived on land, yet became more aquatic over the centuries.

'They' have been encountered near swampy regions, rivers, etc., and have been known to attack people without being provoked. It is interesting that some types of Greys AND Reptiloids are believed to be semi-aquatic, having webbed fingers and toes (Draconian).

ANAKIM, THE (also referred to the 'Els', short for 'Elder Race' or simply as the 'Giants') Referred to in ancient Hebrew tradition, this race is allegedly tied-in with a branch of ancient humans who broke-off from mainstream humanity because of their vast size which had developed over the centuries, possibly as a result of a genetic anomaly. They are said to range anywhere from 9-11 ft. and in some cases even 12 ft. in height, although in configuration they are remarkably similar to 'International' humans. Are said to

possess a means of molecular condensing and expansion which allows some of their kind to mingle among humans on the surface. They have allegedly been encountered in deep and extensive cavern systems below the western part of North America, as far north as Alaska, as far south as Mexico, and as far east as Texas. They are believed to have interstellar traveling capabilities.

#### ANDROMEDAS

The Andromedan Council has ordered all extraterrestrial presences on the planet, in the planet, and on the moon to be completely out of our space. They want everything that's ET, benevolent or not, off the planet. This will be very interesting since there are over 1,833 reptilians living in our planet and over 18,000 grays living underground and on the moon. The council would like to see how we will live with each other when we are not being manipulated by ETs, as we have been for the last 5,723 years

ANTARCTICAN This is allegedly a secret area of operations for both human and reptilian beings. It is said by some that A-yan-Nazi scientists actually developed disk-shaped aircraft capable of very advanced aerial performance, and that swastika's have been seen on a few aerial disks.

They may be piloted by a 'pure-bred' blond, blue-eyed Ar-an race.

There appears to be more than one 'Blond' human society involved in the UFO scenarios, and especially subterranean human societies may have developed 'blond' hair due to lack of sunlight. There does not seem to be anything more than a peripheral connection between the Antarcticans, the Telosian and the Pleiadean 'blondes' (i.e. we will refer to the Antarcticans as the 'Ary-ns'; the Telosians as the 'Blondes'; and the Pleiadeans as the 'Nordics' in order to discourage confusion). The Antarcticans may consist largely of 'batch consigned' pure-bred blue-eyed, blond Arya-s who became victims of Hitler's obsession to create a super ra-e, and as suggested by Harbinson and others most of these may be controlled through mind manipulation and implants, being 'human drones' who are used to keep this hidden society functioning. A massive joint humanoid-reptiloid underground system called the "New Berlin" is said to lie below the mountains of Neu Schwabenland, Antarctica. It is said by some sources that this joint human-alien force has spread terror through this sector of the galaxy, conquering and committing untold atrocities against the peaceful inhabitants of other worlds. The famous abductee Barney Hill who along with his wife Betty was abducted by "Zeta Reticulan Greys" in 1961, stated under regressive hypnosis that he had encountered an evil-eyed "German Nazi" working with the Greys on board the craft. It is claimed that the original "treaty" with the Greys was established by the Bavarian Thule and I-luminati societies as early as 1933, and this collaboration was brought into America via the C-A, which was established with the help of American Nazi fifth column agents as well as European Nazi's who were brought into America through Project Paperclip and other operations.

#### ARCTURIANS

Arcturus is one of the most advanced civilizations in our entire galaxy. Want to know what NDE's really are?

These are humans, usually described as being benevolent by comparison to other groups, who are said to inhabit vast and complex cavern-cities beneath southern Brazil and surrounding regions. The term 'Atlantean' or 'Atlan' in reference to these -aces, has been placed upon them because of the fact that these cavern networks along the east coast of Brazil were reportedly once a part of the antediluvian 'Atlantean' empire. The present inhabitants have no direct GENETIC relation to the ancient 'Atlantean' society which is said to have controlled these cavern systems several millennia ago, but are referred to as 'Atlanteans' simply

because they are descendants of those who re-discovered and inhabited the ancient Atlan installations. As in North America and other continents, both common and gnome-like humans have been encountered here, some of which possessed advanced aerial or 'disk' technology. The Telosians claim to have some connections with South America, especially the Matto Grosso region where a sister city named POSID exists in a large cavern system underground. Refer to Agharians

BERNARIANS

Inhabitants of the 'Bernard's Star' system. Although not much has been written about them, it seems that human beings at least in part control this star system, along with "TheOrange". Whether the Saurians have any influence or not is uncertain, however some sources indicate a possible collaboration similar to that within our own SOL system.

BOOTEANS

Reptilians from the 'Bootes' system. These, AND reptilian entities from the 'Draconis' system are allegedly involved with the 'Dulce' scenario as well as the infiltration- implantation-control of human society on earth in anticipation of their planned takeover at some point in the future (Draconian).

BURROWERS

Another mutation of the saurian or serpent race that is capable of burrowing through the earth. Possibly quadrupedal as well as bipedal, these have been known to use their natural 'boring' abilities to create artificial tunnels like moles, or even spontaneously produced 'cave-ins' (the latter has allegedly been used in attempts to entrap or kill unsuspecting intruders into the underground domains). These may possess a highly- developed 'bio-sensing' system.

BUTTAHS

Being that dwells in spiritual darkness. The person may be intellectually developed. The Buttah are normally associated with nightmares, abductions and the taking of small children. They usually come around at night.

The Grey aliens who do abductions falls into this category. The Reptilians are also part of this group. They are usually not very physically attractive. Apparently long ago there was a visitation long ago by Buttahs called Wacshashas who were negative, powerful, aggressive beings.
