This make me think of the old song, "Everything's Going My Way",

Fleet of 58 Gigantic Planetoid Motherships & our New Years Resolution
What, you may ask, does 58 gigantic planetoid size Galactic Federation of Light Motherships (which are each over hundreds and thousands of miles across in size) which are on their way to Earth right now, and due to arrive near Earth sometime possibly as early as within the next few weeks or months--and our New Years Resolutions have in common? Well, I feel that what ever we each specifically list as at least one of those very important or High Priority New Year Resolution--should not JUST be the same ol, same mundane, boring resolutions that people on Earth tend to focus upon each and every year and most people usually never fulfill them anyway. Instead, let's make or at least include in this year's New Year's Resolution, of a much more important one of a Cosmic or Intergalactic nature such as Decreeing, Invoking & Visualizing, something that I know we can be much more passionate and Empowered about of helping speed up the Manifestation of mass planetary D-vine Intervention, by the Galactic Federation of Light, to be able, sometime during 2012, that our Cosmic Extended Family of the Star Nations that are Represented in these 58 Mother Ships (which contains many fleets of much smaller Merkabah Light Ships), will be openly Landing in mass all over Earth. Before 2012 is over, to Officially Lift the planetary quarantine once and for all. In other words, in this Cosmic New Year's Resolution, we each individually & collectively, will now do all that we can, to help make it manifest, and of course this means that two of the other very important events will also occur, both Discloser and N.-.S.A.R.A. will be Announced & Implemented.

Also included in this forwarded e-mail, is a Chan-eling thru another Chann-1 from the Being named Allendale who is actually the Higher/OverS-ul Self, aboard a Federation Light Ship, of the W-ite Hat within the c-bal who had referred to himself as Anonomous (and had that Irish sounding accent). He had called up on the phone during that conference call when David W-lcock was on Project Camelot being interviewed by Kerry C-ssidy about two weeks ago when he first officially released the documentation from Ben F-lford, and David's life had been threatened just hours before. Since then, there have been quite a few Cha-nelings from Allendale, as he also has mentioned alittle about his Earth conscious self i-carnated on Earth to infiltrate the ca-al and help overthrow it, as he was helping to do two weeks ago and also letting the dark hats know that they will not be allowed to hurt David for releasing the documentation about the go-d, etc. In this particular Ch-nneling, he also briefly mentions about these 58 motherships that are on their way to Earth, which are to finish bringing down the caba-.
