The Columbia Dowzers will meet on Saturday, January 7th. Beginning at 10:00 am, we will read Paper 73 of the Urantia Book, "The Garden of Eden". Bring a brown bagger to enjoy during our noonish lunch break. After lunch, we will engage in personal dowsing exercises using Walt Wood's charts in Letter To Robin. We will meet in my home at 11545 Yankee Hill Rd, within Marble Quarry RV Park. Stop at the park's office for a parking assignment location.

On the first Saturday of March, we will have an all day workshop with Feather Anderson. Watch for later details.

On the first Saturday in April (7th), I have arranged for an all day workshop on the subject of labyrinths, led by Ophelia, from Sonora. She comes highly recommended by Alex Champion, who teaches about labyrinths at the West Coast Dowsing Conference.

Speaking of West Coast Conference, It will be held at College Eight, University of California, at Santa Cruz, near the 4th of July. I hope a number of you can join me in attending.
