This says that some areas will rise and others will sink.

The light, the good, and justice will triumph; it is just a question of time.

The r-ligions should be purified. Each contains a particle of the Teaching of the M-sters of Light, but obscured by the incessant supply of human - deviation. All the believers will have to unite and to put themselves in agreement with one principal, that of placing Love as the base of all belief, whatever it may be. Love and Fraternity that is the common base!

The earth will soon be swept by extraordinary rapid waves of Cosmic Electricity. A few decades from now beings who are bad and lead others astray will not be able to support their intensity. They will thus be absorbed by Cosmic Fire that will consume the bad that they possess. Then they will repent because it is written that "each flesh shall glorify G-d".

Our mother, the earth, will get rid of men that don't accept the New Life. She will reject them like damaged fruit. They will soon not be able to r-incarnate on this planet; criminals included. Only those that possess Love in them will remain.

There is not any place on earth that is not dirtied with human or animal blo-d; she must therefore submit to a purification. And it is for this that certain continents will be immersed while others will surface.

Men do not suspect to what dangers they are menaced by. They continue to pursue futile objectives and to seek pleasure. On the contrary those of the sixth r-ce will be conscious of the dignity of their role and respectful of each one's liberty. They will nourish themselves exclusively from products of the vegetal realm. Their ideas will have the power to circulate freely as the air and light of our days.
