*A friendly reminder

The Columbia Dowsers will meet on Saturday, February 4th. Beginning at 10:00 am, we will read Paper 74 of the Urantia Book, "Adam and Eve". I have a few loaners, but if you have a copy of the UB, bring it. Bring a brown bagger to enjoy during our noonish lunch break. After lunch, we will engage in personal dowsing exercises using Walt Wood's charts in Letter To Robin. Or, if Becky Novak is able to come, we may watch a DVD of the movie 'Thrive'. We will meet in my home at 11545 Yankee Hill Rd, within Marble Quarry RV Park (above the pool). Stop at the park's office for a parking assignment location.

On the first weekend of March, we will have a Fri nite lecture, and all day Sat workshop with Feather Anderson.

*March 2****- "Earth Acupuncture"* Lecture (free)

March 3** - Dowsing Workshop - "Divining the Earth Spirit & Boosting Tree Chi" (small fee)

- Mother Lode Dowsers, Columbia, CA (north of Sonora and Yosemite)

On the first Saturday in April (7th), I have arranged for an all day workshop on the subject of labyrinths, led by Ophelia, from Sonora. She comes highly recommended by Alex Champion, who teaches about labyrinths at the West Coast Dowsing Conference.

Speaking of West Coast Conference, It will be held at College Eight, University of California, at Santa Cruz, July 6-12, 2012. I hope a number of you can join me in attending.

Hi, Ralph & Friends

I'm coming to the Dowser's meeting on Saturday. Today I'm fighting off a bug of some kind, but I expect to be fully recovered by Saturday. I've made arrangements with Chris & Pete Eakle to pick up their copy of the THRIVE MOVIE DVD, since mine is still in Murphys with my friend. Chris will be going to a pruning workshop on Saturday morning so she won't be joining us for the Dowser's meeting, and she's watched the DVD five times already with friends.

If anyone wants to know more about the THRIVE MOVIE I've copied all the info, descriptions, and links...

Here is a URL for a YouTube movie trailer for the THRIVE MOVIE (Official Version)
