Subject: Da Plane, Boss, Da Plane.
Feb. 11, 2012.

This reminds me of the TV series called "Fantasy Island" when the little man noticed the plane full of visitors were coming to the Island for their experiences.

I don't know if this information is true or not but you never can tell.

C-A Operated Aerial Spraying Plane Carrying "Mutated" Virus Shot Down in China

Reports circulating in the Kremlin today are stating that a US government contracted airplane piloted by American CIA agents and carrying a cargo of a "mutated" swine flu virus intended for aerial spraying was shot down at China's Shanghai Pudong airport by a saboteur team of what are believed to be Israeli Mossad soldiers seeking to prevent an American attack upon one of their Central Asian bases located in the Central Asian Nation of Kyrgyzstan.

According to Chinese media

reports on this incident the stricken Zimbabwean MD-11 plane, owned by the

3 American CIA agents and injured 4 other personal who are reported to be from United States, Indonesia, Belgium and Zimbabwe.

Most interesting to note in these reports on the victims of this plane

shootdown is that the Indonesian man currently being treated for his

injuries has confessed to Chinese secret police forces that he is

Even more interesting to note about this US Navy secret

Nation) was its establishment in cooperation with the

Trilateral Commission in June, 1991, when

he said:

We are grateful to The Washington Post, The New York

Times, Time Magazine and other great publications whose directors have attended our meetings and respected their promises of discretion for almost forty years. It would have been impossible for us to develop our plan for the world if we had been subject to the bright lights of publicity during those years. But, the work is now much more sophisticated and prepared to march towards a world government. The supranational sovereignty of an intellectual elite and world bankers is surely preferable to the national auto determination practiced in past centuries.

To the United States

http://preventdisease.com/news/09/110909_geoengineering_accelerating_pandemic.shtml

employing planes to spread a mutated swine flu virus around the World we have further reports from China, and as we can read:

June 26 Suspicious aircrafts were forced to land. A US operated AN-124 changed its call sign from civilian to military which then triggered a response from the IAF upon entering Pakistani air space, the plane was forced to land in Mumbai while the second one was forced down by Nigerian fighter jets that also arrested the crew.

According to reports China (China's People's Liberation Army Air Force) contacted the Indian and Nigerian intelligence officials about the presence of these US operated Ukrainian aircrafts amidst growing concern that the United States were spreading biological agents in the Earth's atmosphere also which some Chinese officials believed to be an attempt to mass genocide via the spread of H1N1 swine flu.

The strange thing about these reports and arrests as well as the forcing down of the planes were that these aircrafts were carrying waste disposal systems that could spray up to 45000kg or 100pounds of aerial type mist from sophisticated network of nano pipes that led throughout the trailing edges of the wings thereby dispersing whatever was in these tanks through a mist.

Reports of these US planes over Ukraine have been reported as well, and as we can further read:

Authorities in the town of Kiev, Ukraine denied any spraying of aerosolized medication by aircraft over the city. This after it was reported that light aircrafts were seen flying over the forest market area that sprayed a aerosol substance to fight H1N1 or swine flu. Sources confirm this and the local newspapers of Kiev also received hundreds of phone calls from residents and business owners close to the area the planes were spraying the suspicious substance. Not only that but local businesses and retailers were advised to stay indoors during the day by the local authorities.

As if that is not enough, the government authorities also pushed the radio stations in Kiev to deny the reports. Online on forums, websites and blogs reports came in about eye witness accounts that confirm this. There was also reports of helicopters spraying aerosols over Kiev, Lviv, Ternopil and throughout Ukraine.

Most disturbing of the effects of the spraying of this mutated swine flu virus over the Ukraine is the devastating toll it has taken on the people of that country, and as we can read:

Almost 40 000 people got infected since yesterday in the Ukraine by what we still call the Ukraine plague but doctors have said recently that this is a stronger case of H1N1 or swine flu that has mutated and has that affect on the lungs where it destroys the lungs and fills it with blood. But, to the most horrible outcome of this mutated swine flu virus is the World Health Organization

http://www.msnbc.msn.com/id/34173664/ns/health-cold_and_flu

now reporting that it is killing people in France, Norway, Brazil, China, Japan, Mexico, Ukraine, and the United States as the death toll from this Global Pandemic is now reported to be nearing 8,000 and China

<http://www.google.com/hostednews/afp/article/ALeqM5iRwihCoNL9jkL05Bj8CfJNRqdkhw>

now reporting that this deadly disease has now crossed over into dogs.

Important to also note in these reports is that the US spray plane shot down in China was reported to be targeting a s-cret Israeli base located in the Central Asian Nation of Kyrgyzstan, which many Ashkenazi J-ws (Ashkenazi Je-s make up approximately 80% of -ews Worldwide) consider their sp-ritual homeland - after their long exile their under Soviet Commu-ist rule, and where Russian Intelligence Analysts report the Israelis are nearing the end of their decades long deciphering of the ancient Epic of Manas manuscript (with close to half a million lines the Epic of Manas is twenty times longer than Homer's Odyssey and Iliad combined) that they believe contains our World's oldest warning to our present age and which (coincidentally?) agrees with the ancient Mayan peoples that the year of 2012 will see the ending of our present age.

To the final outcome of these events it is not in our knowing; other than to state the obvious, that the truths of these things are continued to be ignored, even scoffed at, by the very people whose extermination has been longed planned by these m-nsters and is now being carried out, and who still have no idea whatsoever how truly easy it has become http://www.youtube.com/watch?v=3DViJH5nHpn_c for them to be controlled by their pr-paganda m-sters. One can only hope that they awaken before all is lost for them, the facts suggest they won't.
