Subject: The Cosmic Trigger. Part 3 of 3.  
Feb. 25, 2012.

This tells what will happen at different times during 2012.

#### Inspired Guidance

The Philanthropists who funded, originated and completed the project were extremely advanced s-uls. On an intuitive level, they understood the greater purpose of this complex. Shortly after completion, the ancient crystal skull Max, who is indeed of Arcturian construct, was taken into the complex for ceremonial attunement and anchoring of intent, by JoAnn Parks, the caretaker of this potent crystal skull at the request of the most advanced of the founders. There was indeed great purpose in this event. It was a homecoming, in effect.

We tell you that an entourage of Arcturians joined them, and are involved in the refinement of the energies along with those of Sirius A and B. It is why M-ster Golden Dolphins are etherically inside the Blue Pyramid, the Aquarium unit. It is why the Pyramid is located on the beach front of the Gulf of Mexico harbor but was undamaged by the recent ( and any future) hurricanes.

Pyramids themselves are extremely powerful s-cred geometric engines that by their nature and construct penetrate, receive and culminate higher dimensional forces.

#### Quantum Frequencial Gateways

The remaining Equinoxes, Solstices & Eclipses that lie ahead in the countdown to the Ascension are 'Frequencial Gateways' . The auspicious vectors are not constrained by linear time nor by the dimensional access limitations within your current space-time paradigm. And while we have told you many areas in your planet are already in 5th dimension, during the Equinoxes of the precedent 3 years to the Ascension the threshold to greater dimensionality is opened much wider.

As such we tell you that a unique portal from the 12th dimension is enabled thru the Cosmic Trigger Crystalline awakening of that 12th Wave that will manifest on March 21, 2012 and reach its apex on the Solar Eclipse of May 20, 2012. Indeed it is a mandatory prerequisite rigor of the New Earth.

Both humanity and indeed the physical earth require and petition this crystalline upshift reformation in order to transcend the duality dimensional paradigm that would otherwise entomb them in the cyclic duplicity of descending polarity juxtaposition.

The twelfth dimensional opening of the Solar Eclipse of May 2012 will be the most prolific synthesis of 12th dimensional energy to eventuate on earth since the Golden A-e of Atlantis, some 35,000 years ago as measured in your present linear- time paradigm.

The crystalline aperture will not be as austere an energy as the electromagnetic phase of the Trigger, yet it is a formidable and grand vicissitude, and the resulting amplification of energy is immense and far reaching. This energy will enter the Earth at Giza and Moody, and there is purpose in this placement.

Although the Crystalline Energy is initially accessible to you in the 5th dimension, the full spectrum of the Quantum Crystalline Field only fully exist in the dimension of Twelve.

Appropriately the consciousness of the crystalline aspect of the earth's own mineral kingdom is dynamically processed via the 12th dimension thru the 'Crystalline Platinum Ray'.

The unification beginning with the Ring of Fire will form the 13th Quantum Unification Field, the unity of all 12 Dimensions.

The 12th dimension is the highest resonance of earthen dimensionality, and can be said to be the 1st dimension of the complete crystalline realm. It is the dimension of the highest Cosmic Ray, that of the Platinum Ray. The Platinum Ray operates in a crystalline modality. The unification of the 12 -dimensions will spiral in harmony to form a combined singular field, the 13th Field of Quantum Unity.

As such, the Crystalline Cosmic Trigger uploads on the March 20 Equinox and cascades into the Earthplane on May 20th in robust spiraled pulsations. These are transduced thru the 144-Grid into a more palpable frequency in order for this highly concentrated energy to be synergistically integrated into the planetary resonance. The result is an enormous upshift that embodies & transfers the Cosmic Code in tandem for the perfection that is to come.

It is indeed the perfection of the twelve dimension into the Quantum 13th Field that ensures humanity's macro and micro transition into the Crystalline Mer-Ka-Na. It will in kind trigger the long awaited release of the coded telluric crystalline energies to a great and greater frequency in finalizing the 1st and the 2nd ellipsicals of the New Firmament.

The referenced earthen aspect of coded crystalline energies will be awakened through the receipt of the Cosmic Platinum Ray delivered thru the multidimensional octahedron portals of the triplex pyramidal matrixes of Giza in the Eastern Hemisphere of the planet and thru the Moody Tri-Pyramidal structure on the Gulf of Mexico.

Both pyramidal complexes then in axialtonal alignment, both on the 29th latitudinal vector, both emitting the energy of PHI, become the dissemination engines of the 2012 Cosmic Trigger Completion.

Dear Ones, the Crystalline Age is certitude. It is approaching in grand and grander inertia. Duality separation has been a potent and worthy experience for mankind in the University of Linear Earth. Duality has been a prolific teacher, but the linear curriculum is coming to a close for many of you. It is time to receive your polarity diploma and begin postgraduate work in the higher realms of zero field in the Crystalline Omniverse.

You see the Ma-ter Atlantean Crystals that are awakened in the 8-8-8, 9-09-9, 10-10-10, 11-11-11 and remaining 12-12-12 will not be physically accessible for another three centuries. A blink of the eye in Cosmic time, yet an important dimensional lock will shield them until the planet is in a state of Illumination.

We tell you that what will occur in 2012 is the birth of an enlightened earth, but true peace and global illumination on your planet will be another three centuries. Yet what occurs now is indeed the impetus that allows it to occur. The Earth ascends first you see, in 2012, and that Ascensions is the template that will allow the critical mass Ascension of Mankind to follow in 15 generations. Many of you will return for that event.

#### Manifestation of the Crystalline Mer-Ka-Na

One of the most important results of the Cosmic Trigger of 2012 is the coagulation of the Crystalline Mer-Ka-Na . We tell you that the Mer-Ka-Na that has served as the Star Tetrahedron Vehicle to higher dimension for the past 12,000 year cycle is now being transposed into greater capacity. Indeed it is e-olving into progressive expansive mode to the Crystalline Mer-Ka-Na, for the magnetic grid is diminishing, replaced by the Crystalline.

#### Closing

Masters, in the countdown to the 2012 Ascension there are certain dates that open extraordinary frequencial windows. In the three years antecedent to December 21, 2012 the most important of these are the Equinoxes, Solstices, Triple Dates, and Eclipses.

In 2009, 2010, 2011 and 2012 the triple- date portals and referenced astronomical events are exponentially more potent than previous years. Each are engineered to utilize the rare openings to facilitate the receipt/download of extraordinary coded energies requisite for the Ascension.

These portals should be recognized and utilized. We compel you to visit power nodes, vortexial portal complexes and sac-ed sites on these frequencial portals. Gather in collective ceremony and group celebration, as such you will receive and send a wave of Transformational Crystalline Light across the Multiverse that is greater and more far reaching than you can imagine. It is collective unity, that transforms your Earth and beyond. It has always been so.

We tell you that 2012 is a heralded time. It is the linear completion of the Planetary Ascension. The Planetary Ascension provides the new Earth within an expanded Template and fully functional 144 Crystalline Grid. These are the energies that will allow for the mass harmonic conversion of humanity to reach Ascension. But we tell you the changes will be gradual within mankind in terms of linear time movement.

We tell you all of this completes not on Dec 21, 2012, but on December 12, 2012.

Many of you are Code Carriers of the Ascension. 2012 is your time of proactive involvement. Gather in Giza, In Moody, in Arkansas and all Powernodes ! For what you will create, what you will anchor , amplify, receive and transmit is amazing. It is why you have chosen to be here at this time!

I am Metatron, and I share with you these Truths. You are Beloved.

...And so it is...and it is so.
