There are a lot of sources that say we are going to have a lot arrests of the bad guys and girl. I don't know if it is true or not. Maybe if I see the Chemtrail spot for a month or more I will believe it.

.....
.....

I will believe this when it happens. And I'm not counting on it happening.

ANNOUNCEMENT

Imminent Televised Event:

Mass Arrests of 10,000 Global Cab-1 Members

- 2012 -

Very s-on, you will witness the world-wide mass arrests of the many criminal caba- members.

These arrests will mean the removal of the final obstacles that will allow for the implementation of the new abundance systems that are ready to immediately free humanity from the current economy and its falsely imposed conditions of debt and poverty.

There have been many men and women dedicated to this cause who have been working diligently in s-cret for years to bring us to this moment and are so eager to present to humanity the new system that will immediately redistribute abundance to all of humanity and release humanity from the mundane life it has known. Freedom is to be returned to the people.

The release of technologies and other suppressed

elements that are to be introduced will follow to assist this transition.

The news of these mass arrests will come sudden and come hard, and many whom are unprepared with an understanding as to why may feel shocked and confused to witness so many taken into custody. These many men and women, however, have served for the perpetuation of your enslavement and all have actively taken part in serious crimes against the people.

Certain big m-dia groups have agreed to cover these events and assist in the disclosure timeline.

These arrests will be televised and fully shared with you for it is owed to the people of the world that they witness the very moments and actions taken that will mean your release from the control of these many people whom have for so long worked to serve the control and exploitation of humanity.

This manipulation will end and humanity will enter into a new life.

With this in mind, you can look upon these arrests without fear and acknowledge what they mean for your world.

There are many sources of this type of liberating information and it is requested that this information is made available to all who may, or may not, choose to at least familiarize themselves with it, for all efforts to spread this information are valuable and will help dispel fears and lessen the impact.

True freedom is to be returned to you so-n.
