Subject: Man Who Knocks Them Down.  
Mar. 26, 2012.

In the past I saw on TV a man waving his hand in front of people and they would fall down backwards. People behind the falling persons would catch these falling people and layed them down softly on the floor. He even could do it up to seven or more people at at time time. I was hoping to find out where he was on TV and this week I found him again. He was on channel 14 from 11:00 AM till 11:30 AM. The TV guide just shows the notice, "paid program" during that time slot.

If your pentecostal person or a b-ble-thumper or just a person who wants to be h-aled you might try this man. He's called Pastor Chris. He is an Afro-Am-rican and wear a nice wh-te colored suit.
