*Please Share this wonderful & very Powerful, Realistic-"Symbolic" image of both the Imminent Official Announcement & Implimentation of both N.-.S.A.R.A. (the National E-onomic Security and Reformation Act) & St. Germain's World Trust/"Prosperity Packets" being made Available/Delivered on a mass planetary scale, Official E.T. Disclosure, and the open Mass Landings of Galactic Federation of Light Ships all over the Earth in the days ahead. Also interesting enough, from what I have also found out, right now, on the White House lawn--and this is for real--they are actually constructing a huge platform right there which is to be used by one of these Light Ships to land on right after these Announcents do, in fact, take place--So in one sense, this image is actually quite prophetic in more ways than one. So Get Ready! Or as with the title of my book, "Prepare For The Landings!...Are YOU** **Ready?" (PrepareForthelandings.com). And "Keep Your Eyes On the Skies...until YOUR Ship Comes In!"*

*It is suggested, as in the Practice (and "Scientifically proven") of Visualization, of Imagining and Focusing on what we both individually & Collectively want for ourselves and all Earth's Humanity, that it is suggested that by Focusing & Concentrating upon this wonderful and colorful image of NE ARA/E.T. Disclosure & Open Mass Landings of Galactic Federation Light Ships, and we also share this image with as many other people as possible, and ask for them to do the same thing, and for their friends to do the same, etc., that this powerful Focus, Concentration, in Alignment with the "NES-RSA Consciousness that has recently been manifesting upon this planet, and by asking our "Friends Upstairs", of our "Cosmic Extended Family", of the Federation, and of G-d/D-vine Intelligence & the Agarthians/Hollow Earth Beings all together, helping Overshadow this powerful Focus, all together, we will, definitely, most certainly, very s-on, Manifest this image into physical Reality as a near future event already ocured, and it is a "Sa-red Promise" & "Cosmic Done Deal"!
Amen!! Amen!!!, and So It Is!!!!*

Blessings to Everyone of the Light!!!! Please share this wih as many other people as you can, to help manifest ASAP! Thanks!

This most recent update by Benjamin F-lford is also Confirming what the m-litary insider, named D-ake, who is being interviewed in the radio show in the other forwarded e-mail, has stated is about to occur. Of the fact that the U.S. mi-itary, probably sometime as early within the next few weeks, or next few months, will be helping the Federal M-rshals round up & arrest all of the many thousands of corrupt c-bal members. That we should not be concerned about seeing many mil-tary personnel walking around; that they are NOT coming to round up the civilians, as many used to worry would occur when the cab-1 had planned for ma-tial law and the rounding up of the civilian population, who had opposed these plans, to be thrown into all of those many hundreds of F-MA camps. Instead, the majority of the U.S. mi-itary are actually in support of these very important upcoming changes of the new economic system to replace the corrupt fed-ral reserve, etc.

Now, these FEM- camps are to be used for all of these corrupt members of the cab-1. I was given a Vision about how the -EMA camps will be turned or transformed into large Rehabilitation Centers, which will include huge beautiful gardens, where these former very corrupt ca-al members will suddenly be forced to work in & care for these gardens and learn about LOVE and COMPASSION; to learn to Love the Mother, that is, Mother Earth, to care for her and all creation, and those who cannot learn this, who stay in their ego-corrupt selves, will probably be Recycled thru the G-dHead,

Michael

Weekly Geopolitical News and Analysis 20120326: Over 200 senior bankers arrested last week as new financial system goes online

The new financial system is online now and abundant financing is either already or soon to be made available, according to dragon family representatives. The final take down of the criminal cabal has also begun in earnest with over 200 senior bankers arrested and 450 resigned last week alone, these sources say. Japan is also now doing the final paperwork needed to set up an international economic planning agency with an initial funding facility of \$10 trillion or about 200 times what the World Bank lends every year, according to Japanese government sources. There will be some sort of announcement about this and other things on Tuesday evening, March 27th, 2012 Japan Standard Time according to Illuminati and White Dragon Society sources. The arrest of some very high profile individuals is imminent.

This most recent update by Benjamin Fulford is also confirming what the military insider, named Drake, who is being interviewed in the radio show in the other forwarded e-mail, has stated is about to occur. Of the fact that the U.S. military, probably sometime as early within the next few weeks, or next few months, will be helping the Federal Marshall round up & arrest all of the many thousands of corrupt cabal members. That we should not be concerned about seeing many military personnel walking around; that they are NOT coming to round up the civilians, as many used to worry would occur when the cabal had planned for martial law and the rounding up of the civilian population, who had opposed these plans, to be thrown into all of those many hundreds of FEMA camps. Instead, the majority of the U.S. military are actually in support of these very important upcoming changes of the new economic system to replace the corrupt federal reserve, etc. Now, these FEMA camps are to be used for all of these corrupt members of the cabal.
