Subject: The Plan, The Plan.
April 5, 2012.

The space people always seem to have a plan. They very seldom ever just do something without making a plan.

*New blogsite Portal 2012, put out by Cobra, posts the following interpretation of the events of 2012. I'd compress the timeline. Some of the events here, such as the use of Ascension chambers, I might want to wait and see on. But the list itself is thought-provoking and contains many of the events it seems probable will occur this year, culminating in Ascension. Thanks to Dave S-ith.
