Subject: More Death Valley. Part 2.
April 7, 2012.

I believe you will find that the greys and part of the reptilians have been threatened to be kicked off this planet if they don't change their way of doing things. Some or most of them have changed and are working for the light but then I could be mistaken and they may be just fooling us.

.....
.....

Yves N-ud, in his book "UFO'S AND EXTRATERRESTRIALS IN HISTORY" (Forni Publishers, Geneva, Switzerland, 1978) describes one such artifact:

"In 1900, sponge divers near Antikythera (Greece), found rusty fragments of a metallic apparatus on the sea floor. Scientists at first thought that they were remnants of an astrolabe dating from 65 B.C. In 1959, the English scientist, Solla Price, made a discovery which astounded the professional world when he published it in the NATURAL HISTORY review of March 1962:

"It appears that this object is really a computer which can determine and describe the movements of the sun, of the moon, and probably of the planets."

"This modern expert felt extremely humble and could only pay homage to the high science of our ancestors, although the homage was tinged with f-ar.

"It is quite frightening," he wrote in SCIENTIFIC AMERICAN (June, 1959), 'to learn that, shortly before their great civilization crumbled, THE ANCIENT GREEKS had come as close as this to our time, not only in terms of their thinking, but also in their scientific technology.'"

Back to the Mojave Desert mystery -- it would seem that, based on the various reports (many of which we will record later on), that the Mojave Desert of Southern California and the deserts of western Nevada may in fact be a secret 'battleground' involving U.S. G-vernment troops working in ALLIANCE with the alien ra-es known as the 'Nordics'. Who are 'they' fighting?

Their battle, according to SEVERAL sources is against the 'Grays' which have over the last century, possibly earlier, entrenched themselves below ground in underground 'bases' in the Mojave Desert region and elsewhere.

Just as the U.S. gov-rnment is allegedly working with 'Nordics' based at Mt. Shasta near Weed, California and others in nearby star systems such as those mentioned above who have a base below the Panamint Mt.-Death Valley region; their neo-saurian adversaries are allegedly working with others of their kind within a huge subterranean network centered below the Mt. Archuleta region near the town of Dulce in Northwestern New Mexico (which seems to be the U.S. CENTER of activity in regards to M-Bs or 'Men -n Black', abductions, mutilations, disappearances, sightings of reptilian entities and so on).

These 'Grays' are allegedly working with other 'Draconians' who have established themselves in Alpha Draconis, Epsilon Bootes, Zeta Reticuli, Altair in Aquila, Rigel and Belletrax Orion, as well as possibly other NEARBY star systems. Why is this 'wa-' being carried on in se-ret? Partly because the U.S. Governme-nt does not believe that the Ame-ican public can handle the truth. Just recall Orson Wells' 'WAR OF THE WORLDS' radio program of so many years ago, and the panic it incited.

In reference to Zeta Reticuli, from where many of the Grays are said to 'originate', Jeffrey L. K-etch, in his article 'THE AGE OF NEARBY STARS' (which appeared in ASTRONOMY Magazine in response to Terence E-kerson's Dec. 1974 article 'THE ZETA RETICULI INCIDENT', describing the Hill abduction, an article which incidentally raised more interest among the readership than any other article the magazine had published), makes note of the METAL and CARBON deficiencies of this binary system. He suggests that carbon-based life could not have 'e-olved' in such an environment, and he may be right,

for the 'Grays' have 'told' some abductees that they are actually RETURNING to earth, their native planet. No doubt 'they' will try to use this argument, even if true, in an attempt to justify their planned takeover of the planet.

Recently one researcher, K.S., was approached by the family of a U.S. Intelligence worker (O.S.I.) by the name of 'T-cker', who had disappeared mysteriously. They were concerned and frightened as they had discovered, in a personal locker of his, SEVERAL papers describing INTIMATE details of activities surrounding the Dulce, New Mexico and Nevada (S-4, etc.) underground installations. Among this large stack of papers was hidden the following letter which was stamped 'SECR-T'. The letter, copies of which were apparently also in the hands of a few other researchers as well, stated the following:

"Dear John...

"I am writing to you in the event that I do not return.

"There is a triangle surrounding the Nevada Test Site.

"There are in fact two of them. Each one frontiers on the other. One is the ELECTRO-MAGNETIC TRIANGLE, installed by M--12. This is a shield to protect the 'Benevolents' (very human looking) from the EBES (so-called "extraterrestrial biological entities" or Grays - Branton) while they help us develop our counter-attack/defenses. The other is the EBES' 'trap' keeping the benevolents in the redoubt... At each corner of the EM Triangle you will find BLM stations and they are the transmitters of the shield.

"Facing each one of these is an EBE transmitter... There are MANY OF THESE STAND-OFFS THROUGHOUT THE WORLD.

It is important that you do not interfere by attempting to destroy one of their 'surrounds', they would be able to 'double-up' some- where else and overthrow that position. Once that link is over- thrown, our support team would fail. Their over extension is deliberate on our part. We are like the Chinese, we can't out technology them but we can out number them. Especially since they can't breed here and it is too far for them to go back home without our help. Many of our EM Triangles are ruses to keep them over extended. They can't get out of our solar system because our electro-magnetic field (at this time - Branton) is the wrong frequency for their propulsion system to work efficiently. This explains why the EBES can not commit more vehicles to our solar system."

The humans at the Nevada Test Site 'may' in fact, if we are to believe some researchers, be victims of subtle reptilian pr-paganda and intimidation. For instance, this source apparently believes that ALL the saurian-grays or EBE's come from extraterrestrial worlds. However as we've shown there is much evidence that saurian activity exists within deep sub-terranean levels and cavities throughout the earth, and has so for many centuries. This is a fact that the saurians have tried to hide from humankind, both terrestrial and extraterrestrial.

Also, there are accounts suggesting that the sauroids, grays, etc., ARE IN FACT breeding profusely and reproducing them- selves via deep subterranean polyembryony tanks below Dulce and elsewhere, and are not as 'over-extended' as they might have us to believe.

However, on the other hand, the fear the humans might have of prematurely attacking the 'enemy' positions might possibly be propag-nda intended to keep humans from taking OFFENSIVE action, believing they are keeping the grays, etc., 'at bay' when in fact the Grays ARE ATTACKING OFFENSIVELY HUMAN SOCIETY on other hidden fronts via mass abductions, deception, implantations, p-ychic manipulation, recruitment of 'fifth column' humans and infiltration.

We personally do not believe in 'standoffs'. In -ar there is no 'neutrality', one is either attacking (in various ways) or being attacked, in various ways -- ways which those on the defensive might not even be aware of. The letter continued:

"The 'headquarters' of this particular 'surround' is Deep S-rings, California. At this location one can find a 'school' for C-mmunist ho-osexuals who have defected to the EBES in exchange for a c-re for A-Ds and a promise to their own little world, including reproduction via cloning and artificial wombs. Their sperm fertilize eggs taken from abductees. You will not likely see the hybrids hidden inside the mountain, unless you have... starlite binoculars. Some homosaphien APPEARING malevolents (mercenaries) are also there. Nine Soviets were there at the same time Soviets were at the NTS. They were there in the

hopes of talking them into defecting back to our side. We are still hopeful.

"The collaborators use the cover organization Natural Resources Defense Council, with front offices in New York and 1350 New York Avenue, N.W., suite 300, Washington, D.C. 20005 [tel.(202) 783-7800]. It is headed by Tom C-chran, staffed by Kevin P-iestly UNR, John B-une UNR, Holly E-sler UnSan Diego, Gary R-isling Univ. Ca. Pasadena, Holly N-lson NY, Mary M-nning LV Sun, Ed V-gel LVR; and many others I can reveal later.

"One will also find that each corner of their triangle is at the base of a mountain. At each location you will find several entrances to underground systems. Do not attempt to enter, unless you wish to become liquid protein.

You may however harass the EBEs' two other corners by placing a large magnet on the vaults... (placing a magnet on the other two entrances at each location will not affect anything). This temporarily interrupts their communications with Deep Spr-ngs until a collaborator team comes out to see what is going on.
