Subject: Why MacArthur Was Removed.  
April 22, 2012

This probably should be called, "UFO Crash Near Phoenix, Arizona. Part 5 but we'll call it "Why MacArthur Was Removed".

This talks about why General MacArthur was relieved of his command.

.....  
.....

These took place during the Dark and Middle Ages of so-called 'h-ly' Roman Empire rule which 'began' when the last of the Emperors or 'Pontifex Maximus' of the Roman Empire, CONSTANTINE, declared himself to be the FIRST official Roman 'Pontiff' or 'Pope'. Constantine payed lipservice to 'C-ristianity' yet secretly held to the ancient Babylonean Mystery R-ligion of which he himself was High Priest or Pontifex Maxiumus, one in a long line of many which can be traced back to Nimrod, the first King of Babylon, himself.  
(This statement may raise anger in some who religiously defend man-made 'traditions', however history is history and facts are facts).  
If one doesn't believe that Constantine intended to carry on his Roman Empire and it's conquest of the world under the veneer of 're-igion', then just remember what the Roman-Spanish Conquistadors did to the Mayas under Cortez (who slaughtered over 5 million of them - see: 'TRAVELS', PBS network - Feb. 15, 1993), the Incas under Pizzaro, and the Pueblos under Coronado. The I-luminati allegedly began in ancient Babylon and is said to be a mixture of C-balism, the ancient Babylonian 'Mystery' rel-gion, and ancient 'Baal' w-rship. Their vision was the same as that of Nimrod (aka Osiris, (JW I like Osirus and Isis.) Baal or the 'Sun g-d' and consort of Semiramis, Isis, or Ashtaroth respectively).  
Nimrod was the original king of Babylon and the builder of the Tower of Babel. Some sources allege that the C-A and the N-ZI movements were tied-in to the Il-uminati, and that later these two organizations under the "Cult of the All S-eing Eye" joined forces in an effort to initiate plans for a world dictatorship. Part of this would of course involve working with the Grays and other saurian species in underground bases in a joint effort to establish absolute world despotism.  
The Illu-inati, or the 'Serpent Cult' is allegedly infiltrating po-itical, economic, educational and re-igious institutions with the help of the Grays (which have ADMITTED to some that they have been the guiding power behind wit-hcraft and many of the ancient occult lodges over the centuries), which have 'promised' the Illum-nati a part of 'the pie' once this world is under 'their' control. This infiltration is allegedly carried out through organizations like the 'International Wo-king Man's League', which according to World Economists such as Dr. John C-leman 'molded' Karl Mar- and his future as a Communist dictator. Another key figure in the Connection between the Illumi-ati, Ma-onry and the Jesu-t Lodge was the Je-uit Priest Giuseppe Ma-zini, the second in command to 'Universal Pontiff' of Fr-emasonry Albert Pike, and who according to some 'inside' sources even went so far as to organize a branch of the Mafia known as the 'Oblonica' within one of the 22 'Palladium' lodges which were initiated to oversee world Illumin-ti revo-utionary activities, carefully hiding it's connection with the G-and Lodge in England.  
The Illumin-ti headquarters in America may be hidden within the Ma-onic 'House of the Temple' in Washington D.C., (Scottish R-te Headquarters) which is curiously enough set atop the pentagr-m-like street layout of the city itself. Former 33rd degree Mas-n and Past M-ster of all Scottish Rit- bodies, Evangelist Jim S-aw (P.O. Box 884., Silver Springs, FL 32668) tells of his own defection from the cult in his book 'THE DEADLY DECEPTION'. Sh-w reveals the fact that the inside of the Scottish -ite headquarters is FILLED with carvings, murals and many other representations of serpents! The High Maso-s apparently revered the 'Serpent' symbol in what might be considered wors-ipful awe.

Thus the name of their ancient cult, which William Co-per refers to as the 'Cult of the Snake' or 'Drag-n', a Serpent Cult which was very active among the ancient Gnostic (serpent) cults of Pharaohic Egypt.

Even Gen. George Wa-hington was a was a member of the Stone Ma-ons Guild early on, however when he learned that it was being infiltrated by the Bavarian-German Ill-minati he left the Lodge. This infiltration was also confirmed by the Pre-idents of Y-le and Har-ard Universities, who discovered that two fraternities, Ya-e's SK-LL & BONES and Har-ard's SCR-LL & KEY had been infiltrated by this German occult lodge in an attempt to gain highly educated initiates who would be used to carry out their future plans for world control, plans which included the destruction of nation states to be replaced by a world dictatorship, which they called the 'New Wo-ld Order'.

There are even allegations that SK-LL & BONES grads helped to finance the Co-munist and Na-i parties for the Ill-minati's Machiavellian world scenario which included the orchestration of world conflicts (pitting various nations or factions against each other) for the purpose of eventually 'beating' the nations of the earth into a global dictatorship or NEW WOR-D ORDER "synthesis". If this report is beginning to sound like an over-budget Spy Movie or a Science Fiction Thriller, then... as they say, "you ain't seen nothing yet!"

The 'Knights of Ma-ta' and the 'Club of Rome' are also, according to Co-spiracy Researchers, players in the "End Game" in which the meek of the earth are the pawns. Both have advocated Genocide to curb the 'population problem' -- since a true world socialist dictatorship can only survive if the population is kept to a 'controllable' minimum. The K-M and C-R are essentially outward arms or branches of the Illum-nati, according to many. There are even rumors that tunnels and Catacombs beneath Rome connect or at one time connected with others beneath the Island of Malta, and that a similar subterranean system utilized by the Western Illu-inati exists beneath -Washington D.C. as well.

In fact, Dr. John Co-eman, in his report: 'F-EEMASONRY AND THE ONE WORLD GOVERN-ENT' (c/o World Intelligence Review., P.O. Box 507., Chalmette, LA 70044), wrote BEFORE the A-DS threat became widely known among the public, that a se-ret society equivalent to todays 'Ill-minati' believed that it was their duty as the self-anointed 'go-s' over humanity to keep the population of the world from getting out of control so that they could be more easily controlled. These ancient 'Alchemists', Col-man alleges, were responsible for the B-ack Plague and other scourges which ki-led millions. He was convinced that they were preparing to wipe away millions more through 'viral' wa-fare.

According to Cole-an (who claims to be an ex-Intelligence worker for the British Govern-ent who 'defected' when he learned the Horrible Truth), the 'Illumina-i' consists of the duel lodges of Jesu-tism and Free-asonry. He also documents all manner of infiltration of rel-gious, po-itical, and economic movements by the Illuminat- of Je-uit-Fr-emasonry, as well as their seemingly endless manipulations of the nations by their behind-the-scenes orchestrating of economic turmoil, re-olutions and w-rs.

In 1988, in apparent confirmation of this, a former high-ranking mi-itary officer by the name of F. P. F-rrell, Lt. Col. Retired, U.S.A.F., released a disturbing report to several 'PA-RIOT' organizations which alleged this very thing. Lt. Col. Fa-rrell was a 1st Lieutenant, Captain and Jet Fighter Pilot in K-rea; and a Lieutenant Colonel and Air Liaison Officer, 1st Infantry Division ('The Big Red One') in Viet Nam. In essence, Farr-ll accuses the U-ITED NATIONS as being a trojan-horse cover for world socialist r-volution, which intends to weaken and eventually destroy the INDEPENDENCE of the Am-rican Republic.

Farr-ll accuses the U.N. of being a Soci-list-Co-munist controlled organization, and names at least 13 Un-ted Nations Secretary Generals who have been Comm-nist Nationals. It was decided long ago, Farre-l states, that no-one who was loyal to the U.S. constitution was to ever be UN Sec-etary General. He also provided documentation that the UNI-ED NATIONS 'pol-ce action' into which young Americans were drafted betrayed the

American troops at every turn, by intentionally leaking U.S. battle plans IN BOTH THE KOREAN AND VIETNAM WARS to the Communists. This is why, he explains, both of these no-win 'wars' were lost to the Communists. In relation to Gen. MacArthur (who interesting enough publicly predicted that World War III would be fought against aliens in space!) Farrell states that:

"When General MacArthur WOKE UP TO THE TRAITORIOUS OF PRE-IDENT T-UMAN and the Soviets in the United Nations, he made one of the greatest military performances ever ventured in modern warfare. His dangerous but magnificent military engagement and sea landing at 'Inchon' on Sept. 15, 1950, enabled his military forces to slaughter the communist forces, destroy their massive supply dumps, and put the Red Chinese, North Koreans, and their Soviet advisors on the run.

"MacArthur never asked for permission from the United Nations Security Council (Soviet General Zhdanov) to perform this secret military operation. MacArthur hand picked close and loyal military officers in doing so, and they kept the lid on the entire operation. Originally, our forces were to never win any battles as planned by the Soviet Generals at the United Nations. But General MacArthur REALIZED THE TRAITORIOUS AND TOOK POSITIVE ACTION NOT ONLY TO SAVE THE LIVES OF HIS FIGHTING FORCES AND DESTROYING THE ENEMY AND THEIR SUPPLY DUMPS, BUT ALSO CREATING THE 'TURNING POINT' OF THE KOREAN WAR WITH HIS SUCCESS AT INCHON.
