Subject: Why MacArthur Was Removed. Part 4 of 4.  
2012.

April 24,

This talks about Jesse James.

.....  
.....

This guerrilla force was under the command of Colonel William Quantrill, famous leader of Quantrill's Raiders, and of Col. Jesse James -- later the famous outlaw. LIKE ALL M-SONIC S-CRET SOCIETIES, the guerrillas THOUGHT THEY WERE THE TOP OF THE LADDER, never realizing that there were higher-ups over them. For some reason, Jesse James earned the wrath of the R-thschilds -- and the reward money later offered for his capture, came from coffers of the House of Ro-hschild (see: JESSE JAMES WAS ONE OF HIS NAMES, by Del S-hroader).

"Abraham Lincoln was able to foil the conspirators at every turn. He was aware of the activities of the Jesuits (see: FIFTY YEARS IN THE C-URCH OF ROME, by Charles C-iniguy, c/o Chick Publications., P.O Box 662., Chino, CA 91710). He took the Union A-my and turned it into the most powerful fighting force the world has ever known. He issued the famous 'greenbacks' -- refusing to accept loans from the High Financial Power. For these reasons -- and because he would not go along with the harsh measures of the Reconstruction -- it was decided upon that He would d-e. John Wilkes Booth, a member of the Golden C-rcle and of the Carbonari (another Jesuit-connected lodge - Branton), was chosen as the tool to commit the crime. About a month before the as-assination, Booth had traveled to Europe for a se-ret meeting with Napoleon III, also a member of the Carbonari (Note: A 1991 episode of UNSOLVED MYSTERIES alleged that Union sentries had been ordered to give Booth safe passage out of the city following the assas-ination - Branton). Napoleon III was surrounded by Jesuit advisors [see: THIS ONE M-D ACT, by For-ester, for a mention of the meeting].

"With Lincoln out of the picture, Golden Ci-cle member Andrew Johnson became pr-sident. But, for some reason he pulled an about face, and also failed to go along with the harsh Reconstruction measures. Because of this he became the only Presi-ent to be impeached, though acquitted by one vote... It appears that the Rot-schilds intended the Reconstruction Period to be the Civil Wa-equivalent to the French Re-olution's Reign of Terror. Not content with the outcome of the -ar, it became necessary to keep the country divided via the injustices of the Carpetbag Go-ernments. The High Fina-cial Power realized that the South was really the heart and s-ul of the Republic. It was desired to destroy the economic base of the North, but to destroy the moral and spiri-ual base of the south. Individuality was the enemy of the collectivist conspi-ators, then as well as now!

"To keep a continual animosity going between the two parts of the country, it was decided that terror-sm could be used against the Reconstruction Go-ernments. This te-rorism could be used as an excuse to further strengthen these bogus gover-ments. Terro-ism could be used to frighten foes of Abolition. Some of these te-rorist acts included mutilation murd-rs perpetrated by John Brown and his boys.

"According to Dr. Stuart C-ane, the Ter-orist organization born at this time was the KU K-UX KLAN, which emerged from the Knights of the Gol-en Circle.

"However, it appears that there were two Klans operating at this time. One was headed by Nathan Bedford For-est. This Klan sought only to save the South and to avenge crimes and injustices. The other was the Golden Cir-le child. This second Klan was founded by Judah P. Ben-amin - a Rot-schild relative and Confederacy's Secretary of State -, Kuttner Baru-h, Albert Pike - known as the Vice-Regent of L-cifer and as the Sovereign Pontiff of Universal Fr-emasonry -, AND BY AN UN-NAMED JESUIT PRIEST!".

Further evidence in support of the allegations that the Illuminati is composed of both Jesuits and Masons is given by Robol- (the argument is that the Illuminati is a secret arm of Jesuitism re-established by the Jesuit Priest Weis-aupt, while subversive 33rd degree Masonry is a secret branch of the Illuminati. In other words Rome operates as the 'head' of the conspiratorial 'beast', the Illuminati is the neck, Masonry is it's body and the many neo-masonic political, religious, fraternal and economic cults are the 'tentacles'. Former 33rd degree Mason Jim Sh-w has even exposed dozens of vatican officials who are also high-ranking masons).

Rebold, in his 'GENERAL HISTORY OF FREEMASONRY IN EUROPE', reveals the following Jesuit-Masonic 'eggs' that were hatched during the 18th century:

"...RITE of the Old Daughter-in-law, by Lo-khart, an emissary of the Jesuits... in 1749.

"RITE of the CLERKS OF STRICT OBSERVANCE or clerical Templar system, founded by the Jesuits, and united in 1776, with the SECULAR TEMPLARS, also a creation of the Jesuits...

"RITE of the Knights of the East, by Pirlet, a Jesuit Emissary ... 1757.

"RITE of the Emperors of the East and West, Sovereign Prince Masons.

This was the rite which Herodum extended to the RITE OF PERFECTION (from which the Scottish Rite of Masonry is evolved) of about 25 degrees, by the Jesuits, and propagated by Pirlet about 1758.

"RITE of the Flaming Star, founded by Baron Sc-udy, an emissary of the Jesuits in 1766.

"RITE of the Illuminati of Bavaria, by Professor We-shaupt (also a Jesuit)... in 1776."

Dr. William Campbell, M.D., a very knowledgeable virologist who to our knowledge had not even heard of Dr. John Colman at the time when he first came out with his very disturbing revelations, seems to nevertheless confirm Cole-an's suspicions of mass genocide through virological warfare. Campbell claims that in the course of researching the AIDS virus, he and his associates stumbled across a conspiracy almost too horrifying to believe. In an article titled "W.H.O. MURDERED AFRICA", which first appeared in the HEALTH FREEDOM NEWS (P.O Box 688., Monrovia, CA 91016), he presented a great deal of documentation that the AIDS virus was not only 'manufactured' artificially by 'splicing' the bovine leukemia and sheep visna retro-viruses in a laboratory in Ft. Detrick, Maryland, -----
