Flashback: Fox News, 26 December 2001: Bin Laden Dead

Fox News
2001-12-26

Usama bin Laden has died a peaceful death due to an untreated lung complication, the Pakistan Observer reported, citing a Taliban leader who allegedly attended the funeral of the Al Qaeda leader.

"The Coalition troops are engaged in a mad search operation but they would never be able to fulfill their cherished goal of getting Usama alive or dead," the source said.

Bin Laden, according to the source, was suffering from a serious lung complication and succumbed to the disease in mid-December, in the vicinity of the Tora Bora mountains. The source claimed that bin Laden was laid to rest honorably in his last abode and his grave was made as per his Wahabi belief.

About 30 close associates of bin Laden in Al Qaeda, including his most trusted and personal bodyguards, his family members and some "Taliban friends," attended the funeral rites. A volley of bullets was also fired to pay final tribute to the "great leader."
