Subject: The Man Cried Wolf. Part 3.

This talks about some of our leaders who have been made aware of people on other planets and how they are visiting us.

: These organelles can also be used to alter the body's hormones and for changing precursors in the brain from being toxic to non-toxic. "These cells are minute and a non-invasive procedure." Cattle genetics are very similar to humans.

: When Dr Wolf's superiors ordered 'J Omega's' termination, with the help of a g-neral friend, he smuggled him out of Area 51. "To me it felt like a s-n to create a being with emotions and a s-ul and then send him into battle." 'J' is safe and well. Several organelles were placed in his body to keep him d-sease free. "He knows who he is and how he was created. 'J' is almost identical to a human and would easily pass a medical examination." The Zetas were pleased with the result. " 'J' told me he wished to become a teacher." Dr Wolf believed this was a one-off project. "I told him never to contact me. It's too dangerous."

: He briefed four different American p-esidents on the ET reality. Jimmy C-rter was keen to end the UFO cover up but when told of the r-ligious implications he backed down. "I attended this meeting. Ca-ter had strong C-ristian beliefs. When told that re-igion is man-made and probably unique to this planet he broke down in tears." (It was invented as a method of controlling people through f-ar and guilt).

: Ronald R-agan and George B-sh are very knowledgeable on the ET reality - especially Bu-h, being former head of the C-A. Bill C-inton was the least aware. He knows of Area 51 but not S4. "Cl-nton has 'Above Top S-cret' and 'Need to Know' clearances but does not have the 'Umbra Ultra Top Sec-et Clearance' which gives access to upper level M-12 se-crets and 'Keystone Clearance' for information on ET research."

: Many people in M-5, M-6 and the S-S are aware of the ET reality. While reluctant to give names of those he briefed at Downing Street, when staying in London he became good friends with former Conservative cabinet and defence minister Sir Malcom R-fkind. "Ri-kind is very knowledgeable on the UFO subject - especially the flying triangular craft. He believes the cover up is correct. That people are not ready to be told yet."

: The Q-een has been superficially told of the ET reality - Margaret T-atcher was also briefed but knows just a small part of the story.

: We unofficially landed on the moon before 1969 although he wouldn't give a date. "Our astronauts were observed then communicated with by ETs while on the Moon. We were warned off the planet. That's why the last Apollo mission was cancelled at the last second. The astronauts are dying to tell the truth but know it could be interpreted as t-eason."

: N-SA has played an integral role in the UFO cover up. They have been designated as one of the primary organizations to eventually tell the world about the ET reality.

: Richard H-agland is primarily correct concerning structures on Mars and confirms that we have bases on both this planet and the Moon. The recent Face on Mars photograph, which shows a very different image from the previous one, has been doctored by NA-A. "They believe-humanity is not ready for this knowledge."

: In a chamber at Giza and another located between the paws of the Sphinx, skeletons of 7 ft tall beings with large eyes have been

discovered - their hands and legs chained together with silver. "For some reason early ET visitors could not break through silver."

: A Stargate has been discovered in a Giza pyramid. Investigating scientists believe it to be a lens which creates wormholes to any part of the universe. It hasn't been activated yet. "We need to know a lot more about this Galaxy and others before using it - where you want to go and how to prepare yourself. It's about what you dial in. Co-ordinates have to be established. The problem is there are no traffic signs out in space." Dr Wolf felt this will be one of the last projects we'll learn about through our association with the ETs.

: He personally pioneered a mental expansion process called The Gateway treatment . An experiment to, "Open the brain up - a way to stimulate the neurons allowing billions of synapses to form and therefore use of a vastly increased mind." One off-shoot is an ability to telepathically communicate with the ETs.

: This mental expansion developed into a series of mind control experiments under the name MK ULTRA. Dr Wolf and colleagues learnt how to extract as well as repress human memories. The latter is called Mind Capping. "These techniques are not as effective as the ET methods." This also led to research on remote viewing and other psychic phenomena. "The end result of all these experiments may be an attempt by some at world mind control - a chilling thought."

: There is a group of impotent, xenophobic and paranoid generals, charged with the protection of American skies, who fear and hate the ETs and are waging war against them. Called the C-bal they use Star Wars weaponry including a neutral particle beam to shoot down ET craft and imprison survivors while attempting to extract information by force. "The very technology the ETs gave us is now being used against them." Despised by many within the satellite government this Cabal also use aggressive methods against those who try to end the UFO cover up. A concern being that this aggression will intensify as the big announcement draws ever closer.

: Leading UFO researchers and members of the satellite government who are presently helping to end the cover up may have been zapped by psychotronic directed energy devices owned by the Cabal. People like Dr Steven Greer and assistant Shari Amiel (CSETI); Congressman Steve Schiff; USAF Col. Steven Wilson (former head of crash/retrieval unit Project Pounce); Dr Michael Wolf himself; his primary unnamed CIA superior; plus others have either recently died or are suffering from cancer related illness. Coincidence?

: Through his genetic experiments he found that some humans, including himself, have ET gene markers. "Many people who are actively involved in the UFO field will probably have these genes."

: Several different confederations of ETs are visiting us. They include The Alliance consisting of human looking beings from the Altair Aquila and Pleiades star systems; The Corporate made up of various 'Grey' races from the Zeta Reticuli system; The Federation of Worlds which include an unspecified number of different ET groups from the universe; and the United Races of Orion which consist of various beings from that star system. These confederations are also inter-linked with each other.

: In a treaty, signed by The Corporate, there's an 'Above Top Secret' United Nations ruling which states that no Zeta is allowed to walk amongst the public and be seen by them. Unfortunately, Dr Wolf's friend, Kolta, strayed into a 'no go zone' and was shot by a soldier. He found the wounded 'Grey' hiding in his apartment. "I concealed Kolta in my bedroom closet minutes before members of the CIA appeared at my door. I managed to act innocent and sent them away." Dr Wolf called a doctor friend who knew about these ETs. "We managed to save Kolta's life. Lead is toxic to Zetas. So he would have died of lead poisoning from the bullet rather than the actual wound."

: Proposals for the announcement have been postponed three times - partly due to the S4 incident in 1975 which halted negotiations with the 'Greys' and partly to the huge religious and world economy implications. The recent Life on Mars admission is the foundation for future revelations. Dr Wolf said that other disclosures will occur between 2001 and 2005.

: The Vatican are especially worried over these forthcoming announcements. They have asked the American government to hold back, especially on the religious question, so there is more time for them to prepare. Dr Wolf said the Pope has changed the Roman Catholic view

on G-d. "Their future line will be 'we are not in the image of Go-but our so-ls are'."

: He had spoken at length to the ETs about -od and death. "Our bodies are merely containers for the s-ul. When people di- their consciousness simply moves into another dimension." On Go- Dr Wolf said, "Some ETs call -od The Forever - the creator behind everything in the universe." On Je--s Ch-ist , "He was of joint ET/human heritage - sent to Earth as an attempt to end human violence." Whether a Zeta, Pleiadian, Altaran, Human etc.. we share the same G-d - we are all family.

: Dr S-recker's published research report, identifying HIV/AIDS as caused by a man-made virus, is correct. The satellite govern-ent has discovered that viruses are crystalline in structure and using the correct frequency can destroy them.

: The US had in their possession a 'Grey', dubbed EBE (Extraterrestrial Biological Entity), as a prisoner/guest from 1948 until its death in 1953. Scientists initially used pictographs as a form of communication.

: Albert E-nstein had met and worked alongside the 'Greys'.

: Some ETs occasionally eat vegetation, fruits or vegetables. Their digestive systems are far more efficient than ours absorbing and processing thoroughly. They mainly absorb energy from the air. Visits to the to-let are not required!
