Subject: The Wave. Part 2 of 2.

June 27, 2012.

Here is the rest of story about "The Wave".

.....  
.....

Our mother, the earth, will get rid of men that don't accept the New Life. She will reject them like damaged fruit. They will soon not be able to r-incarnate on this planet; criminals included. Only those that possess Love in them will remain.

There is not any place on earth that is not dirtied with human or animal b-ood; she must therefore submit to a purification. And it is for this that certain continents will be immersed while others will surface.

Men do not suspect to what dangers they are menaced by. They continue to pursue futile objectives and to seek pleasure. On the contrary those of the sixth r-ce will be conscious of the dignity of their role and respectful of each one's liberty. They will nourish themselves exclusively from products of the vegetal realm. Their ideas will have the power to circulate freely as the air and light of our days.

The words "If you are not born again." apply to the sixth ra-e. Read Chapter 60 of I-aiah it relates to the coming of the sixth rac- the -ace of Love.

After the Tribulations, men will cease to s-n and will find again the path of virtue. The climate of our planet will be moderated everywhere and brutal variations will no longer exist. The air will once again become pure, the same for water. The parasites will disappear. Men will remember their previous -ncarnations and they will feel the pleasure of noticing that they are finally liberated from their previous condition.

In the same manner that one gets rid of the parasites and dead leaves on the vine, so act the e-olved Beings to prepare men to serve the Go- of Love. They give to them good conditions to grow and to develop themselves, and to those that want to listen to them, they say: "Do not be afraid! Still a little more time and everything will be all right; you are on the good path. May he that wants to enter in the New Culture study, consciously work and prepare."

Thanks to the idea of Fraternity, the earth will become a b-essed place, and that will not wait. But before, great sufferings will be sent to awaken the consciousness. Si-s accumulated for thousands of years must be redeemed. The ardent wave emanating from On High will contribute in liquidating the karma of peoples.

The liberation can no longer be postponed. Humanity must prepare itself for great trials that are inescapable and are coming to bring an end to egoism.

Under the earth, something extraordinary is preparing itself. A re-olution that is grandiose and completely inconceivable will manifest itself soon in nature. -od has decided to redress the earth, and He will do it!

It is the end of an epoch; a new order will substitute the old, an order in which Love will reign on earth.
