N92/53

Just turned ~~out~~ onto Hwy 16.

Saw bright object, hovering over  
a farmhouse for at least 20 minutes.

- about  $\frac{1}{2}$  mile away, size of ~~the~~

- round, shaped like an upside-down  
soup bowl.

It got bigger as their car approached.  
It spiralled up then shot up out  
of sight.
