Dear Sir/Madam:

**RE: POSSIBLE U.F.O. SIGHTING
 RED DEER, ALBERTA
 94 JUL 15 @ 0220 HOURS**

On 94 JUL 15 at 1605 hours, Red Deer City R.C.M.P. received a report of a sighting of an unidentified flying object.

[REDACTED] and a friend, **[REDACTED]**, reported that at 0220 hours on 94 JUL 15, they observed an object (shaped like a plane) travel at a high rate of speed across the sky above Red Deer.

There was no sound coming from the object and there were no lights being displayed. The object had a reddish glow about it as it travelled in a straight line from the north east to the south west. The sighting lasted approximately one to three minutes. The sky was clear and dark and it was difficult to estimate the altitude.
