

me. It was going like this.

4 Q: It was going from north to south.

A: All of a sudden it was gone.

8 Q: And then it was gone.

A: Yeah.

Q: Okay.

A: And at the time that it was gone, it wasn't like a little dot disappearing, it was like, it was still like this.

12 Q: Uhm hmm.

A: Okay, it was still big like this but it was gone. This is what shocked me, I was just, am I loosing any - no, but this is definitely a metallic thing. The lights were definitely, I could tell, metallic.

20 Q: The lights themselves - all 9 lights were the same size.

A: Oh definitely, yeah. It was a perfect object.

Q: And you said it was very quiet.

A: Oh quieter than quiet.

24 Q: You couldn't hear any kind of, you couldn't hear anything being omitted sound wise

A: Nothing.

28 Q: From the object.

A: It was quieter than the quiet. It was just so quiet. It was quieter than the quiet, like it was just so quiet, it was like give me a spooky feeling at first.

36 Q: Have you made, since that sighting, have you made any inquiries with anyone else regarding the planes or anything of that nature.

A: Well I took it upon myself, I should have taken that truck too with me but I didn't. I went to the library, it was about a week later cause I was really kind of feeling really weird for a week.

40 Q: Uhm hmm.

44 A: I don't know what was wrong with me. I was just, you know, feeling weird. I went to the library, and I was curious, so I looked in the ... encyclopedia and I found a chart on
