UFO SIGHTING
TO: NRC METEOR CENTER
FR: BIG RIVER DET

ON 94-10-08 AT 0830 I RECEIVED A CALL [REDACTED]
[REDACTED] REPORTING UFO SIGHTINGS ON TWO SEPARATE OCCASSIONS.

#1. 94-10-04 1900- 2000 HRS. [REDACTED] WERE WALKING ON A ROAD TO PICKEREL POINT RESORT, APPROX 10 KM NORTHEAST OF BIG RIVER. THEY OBSERVED A ROUND BLUE OBJECT IN THE SKY, WEST OF THEIR POSITION. OBJECT WAS MOVING HORIZONTALLY IN A NORTHEAST DIRECTION ALONG DELERONDE LAKE. SIGHTING LASTED APPROX 2 MINUTES BEFORE OBJECT DISAPPEARED. OBJECT DESCRIBED AS BLUE, BUT CONTINUALLY CHANGED COLOURS WHICH INCLUDED BLUE, YELLOW, AND PURPLE. OBJECT ALSO HAD A VISIBLE YELLOW TAIL WHICH WAS DESCRIBED AS 1 1/2 TIMES THE LENGTH OF THE OBJECT. THERE WAS NO SOUND. DISTANCE COULD NOT BE APPROXIMATED, HOWEVER THEY FELT IT WAS A FEW MILES AWAY. [REDACTED] INDICATED THAT THERE WAS ALSO A RED GLOW ON THE FRONT OF THE OBJECT. SUNSET WAS STILL VISIBLE AND [REDACTED] THOUGHT IT MIGHT BE A REFLECTION FROM THE SUN.

WHEN THEY ARRIVED AT THEIR DESTINATION, [REDACTED] APPROX 8 KM FROM SIGHTING THEY ADVISED OTHERS [REDACTED] REPORTED THAT HER AND [REDACTED] SASK HAD SEEN THE SAME OBJECT WEST OF THE VILLAGE AT ABOUT 2000-2100 HRS. THEY ONLY SAW IT FOR A FEW SECONDS. IT WAS IN THE SKY HEADING WEST. DESCRIPTION WAS IDENTICAL. THERE WERE A FEW CLOUDS IN THE SKY.

#2. 94-10-05 2300-2400 HRS. LOCATION WAS A FEW MILES NORTH OF THE PREVIOUS SIGHTING. [REDACTED] AND HIS WIFE [REDACTED] WERE DRIVING BACK TO THE VILLAGE. THEY OBSERVED THE SAME DESCRIBED OBJECT JUST ABOVE THE TREE LINE AHEAD OF THEM. THEY STOPPED THE CAR AND NOTED IT SEEMED TO HOVER. A VEHICLE APPROACHED FROM BEHIND THEM. THEY ADVISED THAT THE BLUE OBJECT DISAPPEARED. WHEN THE VEHICLE PASSED THEM THE OBJECT REAPPEARED. [REDACTED] SAID AT ONE POINT THE YELLOW TAIL DISAPPEARED WHEN THE OBJECT STOPPED. WHEN OBJECT MOVED THE TAIL REAPPEARED. OBJECT ONLY STOPPED ONCE AND THEN LEFT IN A NORTH EASTERLY DIRECTION. AGAIN NO SOUND. THERE WRE A FEW CLOUDS AND THE NORTHERN LIGHTS WERE VISIBLE.

AS A FOOT NOTE TO THIS REPORTED SIGHTING,, THERE IS A FARM YARD JUST EAST OF WHERE [REDACTED] SAW THE OBJECT. THE YARD LIGHT IN THIS FARM IS BLUE. SUBJECTS ARE CONVINCED IT WAS NOT AN AIRCRAFT OR A FALLING STAR. THERE WAS ONLY ONE OF THESE OBJECTS SIGHTED AT EACH TIME. NO OTHER REPORTS FROM ANY OTHER RESIDENTS OF THE AREA HAVE BEEN RECEIVED TO DATE.

SGT. K.E.E. BERGMAN.
I-C BIG RIVER DETACHMENT.
