

ATFA was in the class of aliens known as the space brothers (4)

One of the main, if not the main, contact Smith used to contact ATFA

was thro' a woman in Elliot Name known as Mrs. Francis Swan

Mrs. Swan's involvement was with the <sup>pre-Hill type</sup> ~~ATFA~~, but she knew of the appearance of the group, and provided information about both groups

An example is when Mrs. Betty Hill became aware of her

abduction she approached the investigation group NICAP for some help in

understanding and dealing with her experience. As this <sup>was</sup> the first

abduction handled by NICAP <sup>and</sup> the board of directors would not accept

the experience. The exception was <sup>is, Navy</sup> Admiral Herbert B. Knowles who

counseled Mrs. Hill. He happened to be a neighbor to Mrs. Swan

~~and that~~ Knowles thought that it would be a good idea to set

up a meeting between the two ladies and Mrs. Swan could tell

Mrs. Hill what had actually happened.

To Knowles surprise, however, Mrs. Swan would have nothing
