Bureau File No.:

Title: ERIC ARTHUR WALKER

Character: SPECIAL INQUIRY

Synopsis:

Dr. MILTON EISENHOWER recommended Appointee without qualification. No arrest record in Appointee's name at Police Departments of Arlington, Cambridge, Medford, Somerville, and Winchester, Massachusetts.

- RUC -

DETAILS:

Associates

On May 5, 1960, Dr. MILTON EISENHOWER, President of Johns Hopkins University, Baltimore, Maryland, and a brother of President DWIGHT D. EISENHOWER, advised that he has known the Appointee intimately for about ten years. He said at one time the Appointee was Executive Director of the Research Board, Department of Defense, and he himself appointed the Appointee head of a department at Pennsylvania State University and subsequently as a Dean and finally as Vice President of the University. He also said he recommended the Appointee's appointment as President at his, Dr. EISENHOWER's, departure from the University.

BS 77-6723

Dr. EISENHOWER said the Appointee is a wonderful and superb individual who is very conservative and who is a very effective citizen. He said he would recommend the Appointee and endorse him without qualification for any position for which he is being considered by the Federal Government. He added that the Appointee is one of the very few men whom he could so endorse.
