OSTP FOIA NO. 01-57

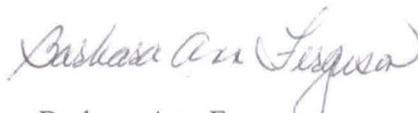

Dear Mr. Cameron:

This is in response to your July 22, 2001 request to the Office of Science and Technology Policy (OSTP) under the Freedom of Information Act, 5 U.S.C. 552. This request was received in our office on July 31, 2001. You requested "On April 29, 1995, C. Richard Farley wrote a letter to John Gibbons re: Rockefeller Initiative towards the Clinton White House. (17 pages) Mr. Farley has informed me that the letter was answered point by point by Barbara Ferguson, along with 700+ pages of documents. I would like a copy of the letter that was sent to Farley along with the documents provided to him."

Upon a thorough search of our files, we have cross-referenced the listing of documents sent to Mr. Farley against the listing of documents that we have sent to you and we have determined that you already have all of the documents in your possession. Please find attached a copy of Mr. Farley's letter, our response, and the files list of what was submitted to both you and Mr. Farley.

If you consider this to be a denial of your request, an appeal may be made in writing 30 days of receipt of this letter. Both the letter and the envelope should be clearly marked "Freedom of Information Act appeal." Determination of administrative appeals must be made within 20 working days.

Sincerely,

Barbara Ann Ferguson
