Dear Dr. Gibbons:

I request, under the Freedom of Information and Privacy Act, copies of all documents, letters, memoranda, etc. related to the subject of Unidentified Flying Objects (UFOs), flying saucers, unexplained sightings of aerial phenomena, etc., which you may have in your files. This includes any correspondence related to the April, 1993 visit by Laurence Rockefeller and Scott Jones and the CIA briefing which you received at that time. Also any more recent correspondence with Mr. Rockefeller or his associates on the same topic and correspondence related to the so-called Roswell case and Congressman Steven Shiff's attempt to learn more about that event.

Thank you for your time.

Yours truly,
