OSTP FOIA NO. 01-25

Dear Mr. Cameron:

This is in response to your January 8, 2000 [2001] request to the Office of Science and Technology Policy (OSTP) under the Freedom of Information Act, 5 U.S.C. 552. Your request was received in OSTP on January 17, 2001 and sought copies of "All records related to a meeting that occurred between Dr. John Gibbons, and Laurance Rockefeller, on February 4, 1994. These records should include records of who was in the meeting, the materials that were shown to Dr. Gibbons, and any correspondence leading up to the meeting."

Upon a thorough search of our files we have found four (4) documents responsive to your request. One of these documents is a letter following up on the meeting held February 4, 1994 and, though outside the scope of your request, is included as one of the four documents being release. No meeting minutes were located.

If you consider this to be a denial of your request, an appeal may be made in writing 30 days of receipt of this letter. Both the letter and the envelope should be clearly marked "Freedom of Information Act appeal." Determination of administrative appeals must be made within 20 working days."

Sincerely,

Barbara Ann Ferguson
