Honorable Jimmy Carter
Governor of Georgia
Atlanta, GA

Dear Governor Carter:

For the past 17 years the International UFO Bureau, Inc. has researched the subject of unidentified flying objects, commonly called and known the world over as 'flying saucers'.

Needless to say we are deeply interested in the recent sightings in and around Georgia and for this reason have several 'field investigators' in the area at this time.

Reports have reached our office that you have observed the objects and I am wondering if you would be kind enough to supply us with the details of your experience ?

I have enclosed one of our sighting forms and will welcome any additional statements or illustrations that you care to offer.

Feel free to ask any questions you may have and if the Bureau can be of service to you or your office feel free to contact us. Until then, I remain....

Yours In Research,
INTERNATIONAL UFO BUREAU, Inc.
